**No One Left Behind** Darrell J. Fasching, 2011-07-15 1 You have heard it said that on the day of judgment only Christians will be saved and all others will be consigned to eternal damnation but I say to you that the gospel proclaims salvation for the whole human race 2 You have heard it said that non Christians are strangers who will not enter the Kingdom of God but I say to you that God enters our lives through the very presence of the stranger 3 You have heard it said that heretics and sinners will have no place in the Kingdom of God but I say to you that to reject even the least of these is to reject God and Gods messiah 4 You have heard it said that human beings can be saved in no other name than that of Jesus but I say to you that the name Jesus means we are saved in the name of a God who cannot be named or imaged 5 You have heard it said that only a chosen remnant can be saved but I say to you that a saving remnant saves not itself but the whole human race of which it is a part 6 You have heard it said that in the final judgment many will be consigned to the eternal fires but I say to you Gods judgment is a refining fire which transforms and saves rather than destroys The final truth is that our God is the savior of the whole human race and especially all believers 1 Timothy 4 10 Stranger's of Fate Sarah Hoad, 2011 Stranger's of Fate is the third novel in the chilling Scripted Destiny series Varela lives in New York with her family working for one of the wealthiest families in the city The day before her seventeenth birthday she awakens to the news that the ones closest to her have been killed in a boating accident With a new master coming into her life everything is thrown into turmoil Varela starts to see images from the past creatures presently living in her home and beyond all that she is faced with a demon slowly casting his darkness around her She is left with no choice but to run and in doing so she is faced with her strangers of fate revealing a enchanting prophesy that could end it all A Stranger's Game Joan Johnston, 2009-07-28 From New York Times bestselling author Johnston comes an explosive tale of passion murder and a woman who counts no cost too high to see a killer brought to justice **A Stranger's Mirror** Marilyn Hacker, 2014-12-29 Longlisted for the National Book Award A selection of poems that addresses the quotidian and the global from one of our most essential poets Drawing on two decades worth of award winning poetry Marilyn Hacker's generous selections in A Stranger's Mirror include work from four previous volumes along with twenty five new poems ranging in locale from a solitary bedroom to a refugee camp In a multiplicity of voices Hacker engages with translations of French and Francophone poets Her poems belong to an urban world of caf's bookshops bridges traffic demonstrations conversations and solitudes From there Hacker reaches out to other sites and personas a refugee camp on the Turkish Syrian border contrapuntal monologues of a Palestinian and an Israeli poet intimate and international exchanges abbreviated on Skype perhaps with gunfire in the background These poems course through sonnets and ghazals through sapphics and syllabics through every historic organic pattern from renga to ruba'iyat to Hayden Carruth's paragraph Each is also an implicit conversation with the poets who came before or who are writing as we read A Stranger's Mirror is not meant only for poets These poems belong to anyone who has sought in language an expression and
