John Henry Goldfrap

The Boy Across The River:

The Boy on the Beach Tima Kurdi, 2018-04-17 An intimate and poignant memoir about the family of Alan Kurdi the young Syrian boy who became the global emblem for the desperate plight of millions of Syrian refugees and of the many extraordinary journeys the Kurdis have taken spanning countries and continents Alan Kurdi's body washed up on the shore of the Mediterranean Sea on September 2 2015 and overnight the political became personal as the world awoke to the reality of the Syrian refugee crisis Tima Kurdi first saw the shocking photo of her nephew in her home in Vancouver Canada But Tima did not need a photo to understand the truth she and her family had already been living it In *The Boy on the Beach* Tima recounts her idyllic childhood in Syria where she grew up with her brother Abdullah and other siblings in a tight knit family A strong willed independent woman Tima studied to be a hairdresser and had dreams of seeing the world At twenty two she emigrated to Canada but much of her family remained in Damascus Life as a single mother and immigrant in a new country wasn't always easy and Tima recounts with heart wrenching honesty the anguish of being torn between a new home and the world she'd left behind As Tima struggled to adapt to life in a new land war overtook her homeland Caught in the crosshairs of civil war her family risked everything and fled their homes Tima worked tirelessly to help them find safety but their journey was far from easy Although thwarted by politics hounded by violence and separated by vast distances the Kurdis encountered setbacks at every turn they never gave up hope And when tragedy struck Tima suddenly found herself thrust onto the world stage as an advocate for refugees everywhere a role for which she had never prepared but that allowed her to give voice to those who didn't have an opportunity to speak for themselves From the jasmine scented neighbourhoods of Damascus before the war to the streets of Aleppo during it to the refugee camps of Europe and the leafy suburbs of Vancouver *The Boy on the Beach* is one family's story of love loss and the persistent search for safe harbour in a devastating time of war

Challenges for Humanitarian Intervention C. A. J. Coady, Ned Dobos, Sagar Sanyal, 2018-05-10 Ten new essays critique the practice of armed humanitarian intervention and the Responsibility to Protect doctrine that advocates its use under certain circumstances. The contributors investigate the causes and consequences as well as the uses and abuses of armed humanitarian intervention. One enduring concern is that such interventions are liable to be employed as a foreign policy instrument by powerful states pursuing geopolitical interests. Some of the chapters interrogate how the presence of ulterior motives impacts on the moral credentials of armed humanitarian intervention. Others shine a light on the potential adverse effects of such interventions even where they are motivated primarily by humanitarian concern. The volume also tracks the evolution of the R2P norm and draws attention to how it has evolved for better or for worse since UN member states unanimously accepted it over a decade ago. In some respects, the norm has been distorted to yield prescriptions and to impose constraints fundamentally at odds with the spirit of the R2P idea. This gives us all the more reason to be cautious of unwarranted optimism about humanitarian intervention and the Responsibility to Protect.
