The Big Ten Another Look At The Ten Commandments:

The Big Ten Ron Lavin, Ronald J. Lavin, 2005 The Ten Commandments continue to provide both significant prohibitions and helpful invitations for living a moral and godly life in the 21st century I did not post the Ten Commandments on my classroom wall but they were imprinted more boldly onto my heart from the Introduction Melvin Kieschnick Former Director of Parish Education Lutheran Church Missouri Synod The Ten Commandments are universally acknowledged as God's blueprint for human behavior yet they seem to be a major focus of controversy in today's headlines Should these commands from God be prominently featured in classrooms and courtrooms What difference do God's laws make for multitudes of people who can't even repeat them from memory much less integrate them into everyday behavior In the latest installment of his popular series examining the basics of the Christian faith Ron Lavin takes another look at the Ten Commandments and suggests they offer a powerful biblical corrective for a society filled with ethical relativism and moral decay But they are much more than just a list of do's and don'ts they are also the foundation for God's invitation to a full and abundant life The Big Ten is an ideal group study resource each chapter includes a digging deeper section plus stimulating discussion questions and there are tips to assist small group leaders The Big Ten is also great for new members adult Sunday school and confirmation classes as well as for personal meditation or sermon preparation Ron Lavin is the award winning author of 20 books including *Turning Gripping Into Gratitude* and *Way To Grow CSS* He is the former Pastor Director of Evangelical Outreach for the Lutheran Church in America and pastored five thriving congregations all of which grew substantially under his leadership Lavin is a popular speaker and church consultant on the dynamics of small groups and evangelism

Saving Grace Ron Lavin, Ronald J. Lavin, 2004 Ron Lavin says that we desperately need to re-examine and return to the basics of the Christian faith and what better source of inspiration is there than the word of God and the sacraments God's holy pipelines from heaven In the latest installment of his popular *Another Look* series Lavin explores God's Word baptism and communion and demonstrates that far from being meaningless rituals they are extremely relevant for modern living Weaving together time tested biblical truths with a series of vignettes about Grace Livingstone a fictional character who is a typical church outsider Lavin illustrates how faithful proclamation of the Word and celebration of the sacraments can be effective tools for evangelism and outreach The ups and downs of Grace's life and her need for the Word and sacraments are sure to resonate with you Structured in three four session sets *Saving Grace* is an ideal group study resource each chapter includes a digging deeper section plus stimulating discussion questions and there are tips to assist small group leaders *Saving Grace* is also great for new member or adult Sunday school classes personal meditation and sermon preparation Ron Lavin's passion for the Word of God and zeal to reach humanity with the truth that Jesus is alive is a source of inspiration and hope In *Saving Grace* Lavin takes us back to the basics of our biblical and confessional heritage and shows us the interrelationship between what we confess and how we live Robert Wallace Director for Evangelism Evangelical Lutheran Church in America *Saving*

Grace is the story of one lonely heart's journey from uncertainty and fear into the warm comfort offered by God. Follow Grace Livingstone as she receives a gentle welcome into God's love. Saving Grace is a unique insightful guide for those interested in helping others become part of God's community. Barbara Coulson, President Southern California Writers Association. Ron Lavin is the award-winning author of 19 books including *Turning Gripping Into Gratitude* and *Way To Grow CSS*. He is the former Pastor/Director of Evangelical Outreach for the Lutheran Church in America and pastored five thriving congregations, all of which grew substantially under his leadership. Lavin is a popular speaker and church consultant on the dynamics of small groups and evangelism.

Stories to Remember Ron Lavin, 2002. This study of Jesus' parables cuts through theological code words and shows how we can apply their easy-to-understand lessons to our lives. Each chapter includes points to ponder and stimulating discussion questions. There's also a study guide and tips to assist small group leaders. *Stories To Remember* is excellent for personal inspiration, use with new member or adult Sunday school classes, small group studies, and sermon preparation.

A Call to Return Dan Alan Rodriguez, 2015-01-29. *A Call to Return: Restoring the Roots of Our Relationship with Jesus* explores the depths of the Scriptures to excavate, refine, and lift up its words of power, revealing deep truths that will radically change the lives of believers. By tapping into this rich vein of biblical insight, Dan Alan Rodriguez offers Christians the insights to enable them to set out upon paths of discipleship that follow Jesus closely and that lead to profound experiences of His presence and power. Drawing upon the author's study of first-century Judaism and Christianity and resting upon a diverse array of sources steeped in the foundational texts of these traditions, the twelve chapters of *A Call to Return* address a series of interlocking topics: a prophetic call to return, the revival of lawlessness, the revival purpose and preexistence of God's commandments, the church's commandments and their connections to faith, grace, and good works, the association of works of the law to Jewish tradition and ceremony, holiness, the fear of the Lord, each believer as a temple of the Holy and the meaning of loving the Lord Jesus. If you have a sense that Jesus's message and ministry are calling you to embark upon a walk with Him that might take you away from all in Christianity that requires no accountability or responsibility before God, then *A Call to Return: Restoring the Roots of Our Relationship with Jesus* is the right book for you to read. It will give you the keys for understanding and responding to the Lord's call to return to Him and to follow where He leads.

People Who Met Jesus Ronald J. Lavin, Ron Lavin, 2006. *People Who Met Jesus* is a book that will command the undivided attention of readers who yearn to know more of the significance of their relationship to the risen Lord. By delving in depth into the words and experiences of both well-known and cameo biblical characters, readers will come to a greater appreciation of the life-pervading influence of their relationship to the living Lord. From the Introduction, Reuben T. Swanson, Former Secretary, Evangelical Lutheran Church in America. In the latest installment of his popular series examining the basics of the Christian faith, Ron Lavin takes another look at the final days of Jesus' life on earth through the eyes of the people whose lives were changed by their encounters with the Lord. Lavin examines their stories, both familiar and little-known, and highlights

how their experiences intersect our lives By telling the story of Jesus they point us toward God People Who Met Jesus is an ideal Lenten group study resource each chapter includes questions for stimulating discussion It s also excellent for adult Sunday school or new member classes throughout the year as well as for sermon preparation or personal meditation Ron Lavin is the award winning author of more than 20 books including the CSS titles Turning Gripping Into Gratitude on the Psalms and Way To Grow on small group dynamics He is the former Pastor Director of Evangelical Outreach for the Lutheran Church in America and pastored five thriving congregations all of which grew substantially under his leadership Lavin is a popular speaker and church consultant on evangelism and small groups

Abba Ronald J. Lavin,2002 The Lord s Prayer is the world s most well known prayer yet because of its familiarity we often recite it by rote This 8 session study helps you rediscover its spiritual power and depth By using the term Abba loosely translated as Daddy to begin the prayer Jesus tells us that the Ruler of the universe is not just our strong dependable Father but also a compassionate and loving Daddy with whom we can have an affectionate intimate relationship Stimulating discussion questions and tips to assist small group leaders are included

To Be Concluded Mike Ashcraft,T.L. Heyer,2022-03-15 To be continued The words build anticipation for what s coming which is great for a Netflix binge but not a healthy pattern for our lives In real life constant continuation causes our lives to pile up episode upon episode with no space for reflection or rest contentment or closure This book is for the too busy driven person who s moving on to the next win without ever processing how one season of life affects the next It s for the person stuck and held back because she s never done the hard work of getting real closure on a season When we fail to finish well we live with a pile of unfinished beginnings But finished things become usable things because they are a part of the story of God s grace and faithfulness In these pages you ll discover How beginnings are important because they give birth to hope How we can hold on to hope when the journey is hard and the future is uncertain How to conclude moments days and seasons and find God s grace to be enough How hope sustains us as we learn to live in this moment and discover the beauty of redemption The pressure of our piled up past needs to be brought to an end Instead of vague storylines that stretch to be continued learn to start with the end in mind To Be Concluded
