Post, 2024-09-04 In contrast to the widely held assumption that terrorists as crazed fanatics Jerrold Post demonstrates they are psychologically normal and that hatred has been bred in the bone He reveals the powerful motivations that drive these ordinary people to such extraordinary evil by exploring the different types of terrorists from national separatists like the Irish Republican Army to social revolutionary terrorists like the Shining Path as well as religious extremists like al Qaeda and Aum Shinrikyo In The Mind of the Terrorist Post uses his expertise to explain how the terrorist mind works and how this information can help us to combat terrorism more effectively Cheating Death, Stealing Life Eddie Guerrero, Michael Krugman, 2005 The autobiography of one of the top Superstars of the WWE a gripping story of brilliant talent a legendary heritage Latin passion pain addiction and ultimate redemption **Life as a Weapon** Riaz Hassan, 2014-09-11 Suicide bombing has become a weapon of choice among terrorist groups because of its lethality and ability to cause mayhem and fear But who carries out these acts and what motivates them By undertaking analysis of the information in the most comprehensive suicide terrorism database in the world Life as a Weapon seeks to question and in turn undermine the common perception that the psychopathology of suicide bombers and their religious beliefs are the principal causes Instead the book presents a cocktail of motivations that drive suicide bombers and explains how their actions achieve multiple purposes community approval political success liberation of the homeland personal redemption or honour refusal to accept subjugation revenge anxiety defiance Since the configuration of these driving factors is also specifically related to the circumstances of political conflict in each different country it is only through gaining understanding and knowledge of these conditions that appropriate policies and responses can be developed that will protect the public and counter the scourge of suicide bombings Life as a Weapon is a pivotal text in the discussion surrounding suicide bombings and as such it is of
