

An illustration of two skiers descending a steep, snowy mountain slope. The skier in the foreground is a man with a mustache, wearing a yellow sweater over a green collared shirt and blue trousers. He is leaning forward in a dynamic skiing pose, holding ski poles. Behind him, a woman in a red jacket and dark pants is also skiing. The background shows a vast, snowy landscape under a clear blue sky, with a small wooden building and a ski lift visible in the distance.

SKIING OFF THE ROOF

Thrills, spills, conquests and
catastrophes at Charlotte Pass –
a fascinating Kosciuszko alpine history

Rick Walkom

Skiing Off The Roof

Christian G. Meyer

Skiing Off The Roof:

Skiing Off the Roof Rick Walkom, 2022-08 The Kosciuszko Chalet at Charlotte Pass for dedicated skiers in Australia there is only one Chalet and it needs no further identification Surpassed in size by big resorts it remains unique for the magic associated with its name This uniqueness is captured here by Rick Walkom who for nearly fifteen seasons lived worked and skied there During that time he absorbed the atmosphere of the Chalet and became intimate with the magnificent Kosciuszko high country Having assimilated the spirit of the Chalet during the 1970s and 80s he was impelled to explore the story of its birth and its first ninety years of growth The resultant book enshrines the pioneers and characters of Snowy Mountains skiing Through his text and the painstakingly acquired photographs that illustrate it skier and non skier alike can experience the excitement and enthusiasm that established this outpost of winter sport on the roof of Australia The book opens with insights into the region and the early history of Australian skiing then the focus turns to the Chalet Readers can share in its joy and its sorrows its triumphs its disasters and its narrow escapes The dominant theme is the pioneering spirit refusing to let a concept die battling bureaucracy and creating a piece of Australian history The pioneers would rejoice to see the present day popularity of their sport They would however rejoice still more that their story has been told in full and that the Chalet and Charlotte Pass continue to provide something of the thrill that the virgin snow and majestic mountains inspired in them The first edition of this book up to 1985 has been reprinted a number of times Recently Rick decided it needed to be brought up to date This current edition greatly enhanced and with many photos not seen before is the product of much additional research

Skiing Off the Roof Rick Walkom, 2000 *Skiing in the Catskill Region* George V. Quinn, 2013-12-02

Arriving by train to Phoenicia New York in the mid 1930s downhill skiers first discovered the snowy trails of Simpson Ski Slope Soon after many Borscht Belt hotels were offering skiing and skating as ways to fill rooms during cold winter months when crowds thinned In the high central Catskills where abundant snowfall was a big draw many abandoned rooming houses were commandeered to serve as base lodges for fledgling ski areas In addition to farming and logging skiing became an important industry to the area People found steady employment in dozens of new areas sprouting all over the mountains Downhill skiing is just part of the regions history Ski jumping racing ski clubs fashion and colorful personalities were all part of the experience

Powder Ghost Towns Peter Bronski, 2013-03-04 In its heyday Colorado had more than 175 ski areas operating on the slopes of the Rocky Mountains and while many of those resorts have shut down their runs still shelter secret stashes of snow Pristine slopes await backcountry powder hounds out to discover these chutes and steep bunny hills and bumps Chronicling the history of more than 36 of these lost resorts Powder Ghost Towns provides the beta for how to ski and board these classic runs today with comprehensive information on trailheads where to skin up and the best descents Coverage ranges from southern Wyoming s Medicine Bow Mountains to the Colorado New Mexico border including famous old resorts like Hidden Valley in Rocky Mountain National Park

Skiing Heritage Journal , 2003-12 Skiing Heritage is a
