Skookum Wawa Writings Of The Canadian Northwest:

Skookum Wawa Gary Geddes,1975 Skookum Wawa Gary Geddes,1975 Gary Geddes presents the idioms and images of the Canadian Northwest through the work of some seventy writers associated with the region and many photographers Here is not only a portrait of its people spirit and landscape but a rich variety of memorable literature in striking display

Canada and the Idea of North Sherrill E Grace,2002-04-15 Canada and the Idea of North examines the ways in which Canadians have defined themselves as a northern people in their literature art music drama history geography politics and popular culture From the Franklin Mystery to the comic book superheroine Nelvana Glenn Gould s documentaries the paintings of Lawren Harris and Molson beer ads the idea of the north has been central to the Canadian imagination Sherrill Grace argues that Canadians have always used ideas of Canada as North to promote a distinct national identity and national unity In a penultimate chapter The North Writes Back Grace presents newly emerging northern voices and shows how they view the long tradition of representing the North by southern activists artists and scholars With the recent creation of Nunavut increasing concern about northern ecosystems and social challenges and renewed attention to Canada s role as a circumpolar nation Canada and the Idea of North shows that nordicity still plays an urgent and central role in Canada at the start of the twenty first century

Keepers of the Code Robert Lecker,2013-01-01 Robert Lecker explores the ways in which these anthologies contributed to the formation of a Canadian literary canon the extent to which this canon was tied to an ideal of English Canadian nationalism and the material conditions accounting for the anthologies production

Bootleggers and Borders Stephen T. Moore, 2014-11-01 Between 1920 and 1933 the issue of prohibition proved to be the greatest challenge to Canada U S relations When the United States adopted national prohibition in 1920 ironically just as Canada was abandoning its own national and provincial experiments with prohibition U S tourists and dollars promptly headed north and Canadian liquor went south Despite repeated efforts Americans were unable to secure Canadian assistance in enforcing American prohibition laws until 1930 *Bootleggers and Borders* explores the important but surprisingly overlooked Canada U S relationship in the Pacific Northwest during Prohibition Stephen T Moore maintains that the reason Prohibition created such an intractable problem lies not with the relationship between Ottawa and Washington DC but with everyday operations experienced at the border level where foreign relations are conducted according to different methods and rules and are informed by different assumptions identities and cultural values Through an exploration of border relations in the Pacific Northwest *Bootleggers and Borders* offers insight into not only the Canada U S relationship but also the subtle but important differences in the tactics Canadians and Americans employed when confronted with similar problems Ultimately British Columbia's method of addressing temperance provided the United States with a model that would become central to its abandonment and replacement of Prohibition

Makúk John Sutton Lutz, 2009-01-01 John Lutz traces Aboriginal people's involvement in the new economy and their displacement from it from the arrival of the first Europeans to the 1970s Drawing on an extensive array of oral histories manuscripts newspaper accounts biographies and statistical analysis Lutz shows that Aboriginal people flocked to the workforce and prospered in the late nineteenth century He argues that the roots of today's widespread unemployment and welfare dependency date only from the 1950s when deliberate and inadvertent policy choices what Lutz terms the white problem drove Aboriginal people out of the capitalist wage and subsistence economies offering them welfare as compensation

A Sense of Place Christian Riegel, 1998-03 A re-evaluation of regionalism in Canadian and American writing *A Sense of Place* provides a comparative approach to the issue within a continental framework The contributors to this collection including Frank Davey Marjorie Pryse and Jonathan Hart look at a broad range of writers They explore regionalism on both sides of the border in light of the central political cultural literary and theoretical debates of our times

The West Beyond the West Jean Barman, 2017-06-22 British Columbia is regularly

described in superlatives both positive and negative most spectacular scenery strangest politics greatest environmental sensitivity richest Aboriginal cultures most aggressive resource exploitation closest ties to Asia Jean Barman's *The West beyond the West* presents the history of the province in all its diversity and apparent contradictions This critically acclaimed work is the premiere book on British Columbian history with a narrative beginning at the point of contact between Native peoples and Europeans and continuing into the twenty first century Barman tells the story by focusing not only on the history made by leaders in government but also on the roles of women immigrants and Aboriginal peoples in the development of the province She incorporates new perspectives and expands discussions on important topics such as the province's relationship to Canada as a nation its involvement in the two world wars the perspectives of non mainstream British Columbians and its participation in recreation and sports including Olympics First published in 1991 and revised in 1996 this third edition of *The West beyond the West* has been supplemented by statistical tables incorporating the 2001 census two more extensive illustration sections portraying British Columbia's history in images and other new material bringing the book up to date Barman's deft scholarship is readily apparent and the book demands to be on the shelf of anyone with an interest in British Columbian or Canadian history **The Malahat Review**, 2007 *Medicine Unbundled* Gary Geddes, 2017-02-15 We can no longer pretend we don't know about residential schools murdered and missing Aboriginal women and Indian hospitals The only outstanding question is how we respond Tom Sandborn Vancouver Sun A shocking exposé of the dark history and legacy of segregated Indigenous health care in Canada After the publication of his critically acclaimed 2011 book *Drink the Bitter Root* A Writer's Search for Justice and Healing in Africa author Gary Geddes turned the investigative lens on his own country embarking on a long and difficult journey across Canada to interview Indigenous elders willing to share their experiences of segregated health care including their treatment in the Indian hospitals that existed from coast to coast for over half a century The memories recounted by these survivors from gratuitous drug and surgical experiments to electroshock treatments intended to destroy the memory of sexual abuse are truly harrowing and will surely shatter any lingering illusions about the virtues or good intentions of our colonial past Yet this is more than just the painful history of a once so called vanishing people a people who have resisted vanishing despite the best efforts of those in charge it is a testament to survival perseverance and the power of memory to keep history alive and promote the idea of a more open and just future Released to coincide with the Year of Reconciliation 2017 *Medicine Unbundled* is an important and timely contribution to our national narrative **Literature of Region and Nation** Winnifred M. Bogaards, 1998 [International Who's Who in Poetry 2004](#) Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets [Northern Experience and the Myths of Canadian Culture](#) Renée Hulan, 2002 She considers each of these diverse genres in terms of the way it explains the cultural identity of a nation formed from the settlement of immigrant peoples on the lands of dispossessed indigenous peoples **Transitions II** Edward Peck, 1978 **A Comprehensive Bibliography of English-Canadian**

Short Stories, 1950-1983, 1988 This bibliography endeavors to record every short story written in English by a Canadian author and first published during the period 1950 1983 and contains 20 000 citations to stories by more than 5 300 authors Organized alphabetically by author s last name it includes references to anthology and story collection appearances by these authors thus providing a complete publishing history of each story cited Hundreds of Canadian periodicals and dozens of anthologies were searched in addition the bibliography cites appearances by Canadian stories in foreign books and periodicals
