And it's making a splash on fashion runways in the hottest magazines and on the coolest indie craft blogs. No wonder, because patchwork gives stitchers an exciting way to make use of their old fabric scraps: in effect, they're designing new material by creating original combinations of patterns. Thanks to a pool of talented designers and this new entry in the popular Pretty Little series, anyone can pick out some fabrics and get started. Thirty projects showcase a variety of creative ideas, including funky ornaments, a silk scarf, star pin cushions, a yoga mat carrier, and much more. An introduction teaches the basic techniques, and all the projects appear in full-color close-up photos.
