Practical Tantra William Schindler, 2019-07-31 Though often associated with sexual practices traditional Hindu Tantra presents a body of sophisticated psycho physical techniques for attaining enlightenment The tradition is often perplexing to the uninitiated due to Tantra s use of metaphors that serve to keep the teachings secret from outsiders The author reveals the secrets and hidden meanings of important Tantric symbols and distills 50 years of practice and teaching into a form accessible to readers new to the tradition Drawing on his own experience the author presents a demystified and simplified version of Tantric practices that any sincere spiritual aspirant East or West can actually do

The Smell Culture Reader Jim Drobnick, 2024-11-01 Smell is fundamental to experience but mired in paradox Stigmatized as animalistic it nonetheless feeds a vast fragrance and marketing industry Considered ephemeral scents have survived throughout the ages in a number of religious practices The Smell Culture Reader provides a much needed overview of what is arguably the most elusive sense From hygiene to aromatherapy the fetid to the fragrant smells are shown to be much more than just an adornment or a nuisance Addressing this engaging sense in redolent detail The Smell Culture Reader demonstrates how essential smell is to sexuality social status personal identity and cultural
