Krishnamurti's Imagined Role Al Boag, 2025-09-16 This book focuses on Jiddu Krishnamurti 1895 1986 and charts the
development of his teaching It covers the period from 1922 when Krishnamurti claimed he was God until his death including
his declarations to be the World Teacher and eventual departure from the Theosophical Society The author explores the
understanding transmitted to Krishnamurti by his mentors as an inheritance from Helena Petrovna Blavatsky 1831 1891 the
Theosophical Society co founder who is associated with the practice of occult breathless meditation This book highlights that
Krishnamurti s writings and talks reveal his unacknowledged appropriation of the vocabulary of profound biblical motifs It
considers how Krishnamurti fashioned his life and teaching on the New Testament Gospels composite biography of Jesus and
on biblical eschatological and Christological texts The study will be of particular interest to students and scholars of
esotericism new religious movements and the history of religions **Subject Index of Modern Books Acquired** British

Indonesia Martin Ramstedt, 2005-06-28 This book provides new data and perspectives on the development of world religion
in post colonial societies through an analysis of the development of Hinduism in various parts of Indonesia from the early
twentieth century to the present This development has been largely driven by the religious and cultural policy of the
Indonesian central government although the process began during the colonial period as an indigenous response to the
introduction of modernity A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942
, 1942 *The Lives of Sri Aurobindo* Peter Heehs, 2008-05-19 Since his death in 1950 Sri Aurobindo Ghose has been known
primarily as a yogi and a philosopher of spiritual evolution who was nominated for the Nobel Prize in peace and literature But
the years Aurobindo spent in yogic retirement were preceded by nearly four decades of rich public and intellectual work
Biographers usually focus solely on Aurobindo s life as a politician or sage but he was also a scholar a revolutionary a poet a
philosopher a social and cultural theorist and the inspiration for an experiment in communal living Peter Heehs one of the
founders of the Sri Aurobindo Ashram Archives is the first to relate all the aspects of Aurobindo s life in its entirety
Consulting rare primary sources Heehs describes the leader s role in the freedom movement and in the framing of modern

Indian spirituality He examines the thinker s literary cultural and sociological writings and the Sanskrit Bengali English and French literature that influenced them and he finds the foundations of Aurobindo s yoga practice in his diaries and unpublished letters Heehs s biography is a sensitive honest portrait of a life that also provides surprising insights into twentieth century Indian history The Artist in New York José Clemente Orozco,2011-01-20 In his Foreword to this edition Jean Charlot says An unusual feature of Orozco s letters is the great deal that he has to say about art That one artist writing to another would emphasize art as his subject seems normal enough to the American reader Yet within the context of the Mexico of those days the fact remains exceptional The patria Orozco was leaving behind had even from the point of view of its artists many cares more pressing than art The letters and unpublished writings of Orozco from this period 1925 1929 describe an important period of transition in the artist s life from his departure from Mexico almost as a defeated man to the period just before he received the great mural commissions Pomona The New School for Social Research in New York Dartmouth that were to bring him lasting international fame **University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects** University of California (System).
