Donald Walsch and God resume their discussion and move on to larger topics than the personal issues addressed in Conversations with God Book 1 They discuss time space politics and even kinky sex This is an honest look at some of the broad issues important to all of us and an idea about how things might change if we are willing to open our minds and have our own conversations with divinity This edition includes the 2008 new preface from Walsch and new commentary on each section Talking about God Stephen Saccone, Cheri Saccone, 2018 Evangelism is intimidating But talking is natural a vital part of every meaningful relationship you've ever had Steve and Cheri Saccone demonstrate that talking about God is simple when we commit first to loving and listening to our friends For people who want their friends to know Jesus Talking about God offers refreshing portraits of natural organic God directed conversations that honor the people we love Page 4 of cover

Conversations with God, Books 2 & 3 Neale Donald Walsch, 2014-09-01 Neale Donald Walsch didn't claim to be special or spiritually gifted He was just a frustrated man who sat down one day with pen in his hand and some tough questions in his heart As he wrote his questions to God he realized that God was answering them directly through Walsch's pen And the result was a series of witty provocative and profound books that have changed the lives of readers around the world Here in one handsome volume are the second two books in the Conversations with God series In Conversations with God 2 Neale Donald Walsch and God continue their discussion and move on to larger topics than the personal issues addressed in Conversations with God 1 The pair discusses time space politics and even kinky sex It is an honest look at some of the broad issues important to all of us on the planet In Conversations with God 3 final book of the original three book series universal truths of the highest order and the challenges and opportunities of the soul In this volume the dialogue expands to include more about the nature of God about love and fear about who we are and who we may become Here is also a profound dialogue about the culture philosophy and spirituality of highly evolved beings some of whom we presently call aliens or ETs in other realms of the universe and how they have learned to view life love and the pursuit of happiness **Hearing God in**

**Conversation** Sam Williamson, 2016-06-27 I picked it up out of curiosity and I couldn't put it down Eugene Peterson Christians are comfortable saying that Christianity is about a relationship with God Yet many might also say that they sense little meaningful relationship with God in their own lives After all the foundation of good relationship is communication but conversation with God often seems to go only one way We may sing of walking and talking with God in the garden His voice falling on our ears but few have heard that beloved voice themselves Sam Williamson acknowledges the fundamental human longing to hear God's voice and offers a hopeful supposition God is always speaking we've just never been taught how to recognize His voice Williamson handles this potentially heady topic with his characteristic straightforwardness and leavening humor This book deftly bridges the gap between solid biblical theology and practical application addressing topics such as how to truly pray without ceasing how to brainstorm with God how to navigate our emotions how to answer God's questions and how to hear God's voice for others Hearing God in Conversation offers simple step by step lessons on how to hear God

Williamson begins with Scripture meditation He then expands the practice of listening for that voice everywhere in the checkout line on the job in a movie theater and even in silence From there he demonstrates how to hear God s guidance when making any decision By the end readers eyes and ears will be opened to the limitless methods through which God speaks *Conversations with God, Book 4* Neale Donald Walsch,2018-08-23 We re in Trouble But There Is Help If We Listen In the middle of the night on August 2 2016 Neale Donald Walsch found himself drawn into a new and totally unexpected dialogue with God in which he suddenly faced two questions Is the human race being offered help by Highly Evolved Beings from Another Dimension Is there a key role that humans are being invited to play in advancing their own evolution by joining in a mutual mission to assist the planet during the critical times ahead He was told that the answer to both questions is yes Then he was given 16 specific examples of how Highly Evolved Beings respond to life differently than humans do and how adopting even a few of those behaviors could change the course of world history for the better forever That information makes up the body of this work A striking invitation to every reader sets the stage for the extraordinary explorations that follow Picking up where Book 3 in the Conversations with God Trilogy series left off the revelations about Highly Evolved Beings and about how ordinary humans can answer the call to help awaken the species on Earth will breathtakingly expand your view of both your personal and your collective future Which is exactly what the dialogue was intended to do

**Conversations with God** Neale Donald Walsch,1999 Suppose you could ask God the most puzzling questions about existence questions about love and faith life and death good and evil Suppose God provided clear understandable answers It happened to Neale Donald Walsch It can happen to you You are about to have a conversation Walsch was experiencing a low point in his life when he decided to write a letter to God venting his frustrations What he did not expect was a response As he finished his letter he was moved to continue writing and out came these extraordinary answers to his questions They will amaze you with complex paradoxes that make perfect sense profound logic and astounding truths Here are answers that bring together as one the deeper meaning of all beliefs and traditions Here are the answers that will change you your life and the way you view other beings For those with an open mind a limitless curiosity and a sincere desire to seek the truth this book is stunning **199 Treasures of Wisdom on Talking with God** Barbour Publishing,2007-01-01 Widely recognized as one of Christendom s foremost authorities on prayer the South African theologian Andrew Murray wrote prolifically on the deeper spiritual life 199 Treasures of Wisdom on Talking to God is drawn from Murray s writings relating to communion with God explaining the what when why and how of prayer *Conversations with God, Book 4* Neale Donald Walsch,2017-03-17 Synopsis coming soon [Heart-To-Heart Talks with God](#) Kathy Fleiger,2020-05-11 This book is about God s unconditional steadfast and everlasting love for each of us Each page offers an individual message insight talk or devotional Each message reminds encourages and empowers us to believe and trust in Christ and His abundant love With God s help each message equips us to step out of our comfort zone trust in Him grow in faith spread His word and to be a blessing to others *Daily*
