Tall Bootsyellowlegs:

Tall Boots and Yellowlegs William Eagen,1972 Yellowlegs John Janovy,2016-08-02 In Yellowlegs John Janovy again displays his rare talent for making the scientific accessible and the personal universal The result is a an extraordinary parable of man and technology It is also an intensely personal account of one man s journey toward an understanding of himself of his fellow man and perhaps most important of the secrets of a single sandpiper a Tringa flavipes or lesser yellowlegs We fly with Janovy s Yellowlegs from its nesting grounds in the Canadian north to South America and back And along the way we join a slightly crazed biologist who leaves his university position withdraws his life savings from the bank and decides to follow the bird on its odyssey Starting on the sand flats of Nebraska and progressing across Kansas and down to the Gulf of Mexico with a brief stop in Oklahoma jail our migratory route brings us into contact not only with the wild creatures of the American West but with the people a few of whom are pretty wild themselves with whom Janovy talks drinks and debates Seldom has the life of a wild creature been so intimately and vividly described Seldom have hard science and mysticism been more successfully and lyrically combined There can be little question that Yellowlegs will take its place a classic of nature writing at its best

Dig into the stories and you may find something you were not expecting I am well aware that my view of the Korean War has no historical importance Still it is my view and I want to share it with you I do not have a cause to plead or an ax to grind and that alone ought to count for something My memoirs are selective and most certainly tainted with time My recollections are a lot like boot mines and ought to be approached with caution I was a grunt a Four Deuce forward observer assigned to duty with a marine infantry company every time the 1st Marine Regiment went back up on line During the time I was in Korea my boondockers were firmly planted in trench line mud When I came home in September 1952 I was proud that I had helped in the attempt to stop Communism in Korea I was proud of all the men I served and served with and I was a little bit proud of myself too
