Poor Man's Provence Rheta Grimsley Johnson,2008-09-01 For over a decade syndicated columnist Rheta Grimsley Johnson has been spending several months a year in Southwest Louisiana deep in the heart of Cajun Country Unlike many other writers who have parachuted into the swampy paradise for a few days or weeks Rheta fell in love with the place bought a second home and set in planting doomed azaleas and deep roots She has found an assortment of beautiful people in a homely little town called Henderson right on the edge of the Atchafalaya Swamp These days much is labeled Cajun that is not and the popularity of the unique culture s food songs and dance has been a mixed blessing The revival of French Louisiana s traditional music and cuisine often has been cheapened by counterfeits Confused pilgrims sometimes look to New Orleans for a sampler platter of all things Cajun Close but no cigar Poor Man s Provence helps define what s what through lively characters and stories The book is both personal odyssey and good reporting travelogue and memoir funny and frank This beguiling place is as exotic as it gets without a passport The author shares what keeps her coming home to French Louisiana And as NPR commentator Bailey White observes in her foreword Both Rheta s readers and the people she writes about will be comfortable well fed highly entertained and happy they came to Poor Man s Provence

Blue Notes Sam V. H. Reese,2019-09-11 Jazz can be uplifting stimulating sensual and spiritual Yet when writers turn to this form of music they almost always imagine it in terms of loneliness In Blue Notes Jazz Literature and Loneliness Sam V H Reese investigates literary representations of jazz and the cultural narratives often associated with it noting how they have in turn shaped readers judgments and assumptions about the music This illuminating critical study contemplates the relationship between jazz and literature from a perspective that musicians themselves regularly call upon to characterize their performances that of the conversation Reese traces the tradition of literary appropriations of jazz both as subject matter and as aesthetic structure in order to show how writers turn to this genre of music as an avenue for exploring aspects of human loneliness In turn jazz musicians have often looked to literature sometimes obliquely sometimes centrally for inspiration Reese devotes particular attention to how several revolutionary jazz artists used the written word as a way to express in concrete terms something their music could only allude to or affectively evoke By analyzing these

exchanges between music and literature Blue Notes refines and expands the cultural meaning of being alone stressing how loneliness can create beauty empathy and understanding Reese analyzes a body of prose writings that includes Ralph Ellison's *Invisible Man* and midcentury short fiction by James Baldwin Julio Cortázar Langston Hughes and Eudora Welty Alongside this vibrant tradition of jazz literature Reese considers the autobiographies of Duke Ellington and Charles Mingus as well as works by a range of contemporary writers including Geoff Dyer Toni Morrison Haruki Murakami and Zadie Smith Throughout Blue Notes offers original perspectives on the disparate ways in which writers acknowledge the expansive side of loneliness reimagining solitude through narratives of connected isolation

Short Story Writing Charles Raymond Barrett, 2015-05-30 This book is an attempt to put into definite form the principles observed by the masters of the short story in the practice of their art It is the result of a careful study of their work of some indifferent attempts to imitate them and of the critical examination of several thousands of short stories written by amateurs It is designed to be of practical assistance to the novice in short story writing from the moment the tale is dimly conceived until it is completed and ready for the editor's judgment The promotion from the rank of amateur to the dignity of authorship may be long in coming but it will come at last Fame like all else that this world has to give depends largely upon downright hard work and he who has the courage to strive in the face of disappointments will achieve success in the end From the Preface Get Your Copy Today
