Tall In The Saddle Great Lines From Classic Westerns:

Tall in the Saddle Peggy Thompson, Saeko Usukawa, 1997 Compiles memorable quotes from Western films with over three hundred fifty quotes from almost one hundred fifty movies

The Mythical West Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America's most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody's Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs

Hollywood's West Peter C. Rollins, John E. O'Connor, 2005-11-11 An excellent study that should interest film buffs academics and non academics alike Journal of the West Hollywood's West examines popular perceptions of the frontier as a defining feature of American identity and history Seventeen essays by prominent film scholars illuminate the allure of life on the edge of civilization and analyze how this region has been represented on big and small screens Differing characterizations of the frontier in modern popular culture reveal numerous truths about American consciousness and provide insights into many classic Western films and television programs from RKO's 1931 classic Cimarron to Turner Network Television's recent made for TV movies Covering topics such as the portrayal of race women myth and nostalgia Hollywood's West makes a significant contribution to the understanding of how Westerns have shaped our nation's opinions and beliefs often using the frontier as metaphor for contemporary issues

The Greatest Haycox Westerns & Historical Novels Ernest Haycox, 2023-12-28 In The Greatest Haycox Westerns Historical Novels Ernest Haycox masterfully intertwines rugged narratives with rich historical detail transporting readers to the American frontier during its most tumultuous eras This collection showcases Haycox s signature style poetic prose marked by vivid imagery and dynamic characterizations His tales steeped in the spirit of the West reflect complex themes of honor morality and the harsh realities of pioneer life evoking the grand tradition of Western literature while also engaging deeply with the socio political landscape of his time Ernest Haycox an influential figure of early 20th century American literature immigrated from Oregon and drew upon personal experiences and regional history to craft his powerful narratives His profound understanding of the West shaped by both firsthand encounters and extensive research enabled him to create stories that resonate with authenticity As a prolific writer Haycox s works contributed significantly to the Western genre establishing him as a forebear in the literary tradition that would later inspire film and television adaptations For readers who appreciate evocative storytelling that captures the essence of the American spirit this collection is a must read The Greatest Haycox Westerns Historical Novels offers not only thrilling adventures but also profound insights into human nature and resilience making it a definitive

exploration of the Western genre's literary heart Canadian Periodical Index ,1997 The Creation of the Cowboy Hero
Jeremy Agnew,2014-11-19 As business interests have commercialized the American West and publishers and studios have
created compelling imagery the expectations of readers and moviegoers have influenced perceptions of the cowboy as a hero
This book describes the evolution of the cowboy hero as a mythic persona created by dime novels television and Hollywood
Much of our concept of the cowboy comes to us from movies and the book's main focus is his changing image in cinema The
development of the hero image and the fictional West is traced from early novels and films to the present along with shifting
audience expectations and economic pressures **Jahresbibliographie Massenkommunikation** ,2000
