**Contemporary Approaches to Outdoor Learning** Roger Cutting, Rowena Passy, 2022-03-04 This book explores contemporary developments in outdoor learning where the outdoors is seen as the context rather than the subject of learning. Ranging from pathfinder pieces written by practitioners to rigorous research based pieces of work the book explores the growing interest in animals as the basis for wider learning strategies as well as drawing together a wide range of outdoor learning approaches for all ages. Within these two discrete sections the contributors who are drawn from a wide range of practitioners, academics and researchers describe and analyse innovative approaches that address the need to explore alternatives to current test based approaches to education in the western world. The whole offers a contemporary informative alternative approach to outdoor learning for teachers, practitioners and students.      Tips and Tricks in Outdoor Education Northern Illinois University.
