Tandem Triumphans:

Natural Masques Jill Campbell, 1995 Campbell draws on recent work that sees the eighteenth century as a crucial moment in the history of sexuality and gender and she critiques new treatments of the novel's function in defining domestic femininity **Imagining War and Peace in Eighteenth-Century Britain, 1690-1820** Andrew Lincoln, 2023-11-23

Ranging over political moral religious artistic and literary developments in eighteenth century Britain Andrew Lincoln explains in a clear and engaging style how the civilizing process and the rise of humanitarianism far from inhibiting war helped to make it acceptable to a modern commercial society In a close examination of a wide variety of illuminating examples he shows how criticism of the terrible effects of war could be used to promote the nation's war making His study explores how ideas and methods were developed to provide the British public with moral insulation from the overseas violence they read about and from the dire effects of war they encountered at home It shows too how the first campaigning peace society while promoting pacificism drew inspiration from the prospects opened by imperial conquest This volume is an important and timely call to rethink how we understand the cultural and moral foundations of imperial Britain **The**
