Tangle Of Love:

Tomorrow Anne Arrington Tyson,1927 *Love's Labour's Lost* William Shakespeare,1998 *Love's Labour's Lost* now recognized as one of the most delightful and stageworthy of Shakespeare's comedies came into its own both on the stage and in critical esteem only during the 1930s and 1940s after three hundred years of neglect by the theatre and undervaluation and misuse by critics The Introduction to this new edition pays particular attention to this process of rehabilitation The text based on the quarto of 1598 and taking full account of the extensive scholarly study that text has received over recent years rests on the hypothesis that the quarto goes back probably by way of lost quarto to an authorial manuscript representing the play in a state prior to fair copy If this is so the quarto takes on a special significance because through it we can watch Shakespeare in the act of composition improvising changing his mind and revising as his play develops under his hand The editor offers a number of new readings of difficult and disputed passages together with some suggestions about the way in which the play's notorious tangles may have come about A detailed commentary offers full and helpful guidance to the play's scintillating language Tangled Up In Love Heidi Betts,2009-02-03 Ever since Dylan Stone beat Veronica Chasen out of a prime position at the Cleveland Courier they've been bitter rivals engaging in a very public war of words in their competing newspaper columns They routinely challenge each other to go bungee jumping white water rafting or into tattoo parlors to see who will wimp out first But Veronica's latest taunt may be Dylan's toughest assignment yet She dares him to learn to knit Dylan is not going to let something his grandmother can do scare him off He's man enough to make a scarf and attend Veronica's weekly knitting circle But when the infuriatingly handsome Dylan shows up at the craft shop and charms all the ladies Veronica starts to get all knotted up in something that feels a lot like love **Love Tangle** Tosan Roro-Oghoshe,2003
