

# TANGLED RELATIONSHIPS

MANAGING BOUNDARY ISSUES  
IN THE HUMAN SERVICES

*Frederic G. Kasser*

# Tangled Relationships Managing Boundary Issues In The Human Services

**David G. Gil**

## **Tangled Relationships Managing Boundary Issues In The Human Services:**

**Tangled Relationships** Frederic G. Reamer, 2001 Reamer examines the ethics involving intimate and sexual relationships with clients and former clients practitioners self disclosure giving and receiving favors and gifts bartering for services and unavoidable and unanticipated circumstances such as social encounters and geographical proximity Case vignettes help illustrate important points Reamer also gives practical risk management models to aid human service professionals in the prevention of problematic situations and the managing of dual relationships

**Tangled Relationships** Frederic G. Reamer, 2001 Should a therapist counsel a former lover or accept a client's gift If so has a boundary been crossed Some boundary issues like beginning a sexual relationship with a client are obvious pitfalls to avoid but what about more subtle issues like hugging a client or disclosing personal information to a client What are the boundaries of maintaining a friendship with a former client or the relative of a client When do conflicts of interest overburden the client practitioner relationship Frederic Reamer a leading authority on professional ethics offers a definitive and up to date analysis of boundary issues a rapidly emerging topic in the field of human services One of the only works in the field to provide a conceptual framework for the dual relationship between practitioner and client this book provides an in depth look at the complex forms these relationships take It also gives practical risk management models to aid human service professionals in the prevention of problematic situations and the managing of dual relationships Reamer examines the ethics involving intimate and sexual relationships with clients and former clients practitioners self disclosure giving and receiving favors and gifts bartering for services and unavoidable and unanticipated circumstances such as social encounters and geographical proximity Case vignettes that help illustrate important points are also included in each chapter

**Risk Management in Social Work:**

**Oxford Bibliographies Online Research Guide** Oxford University Press, 2010-05-01 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more

information visit [www.aboutobo.com](http://www.aboutobo.com)      *Preventing Boundary Violations in Clinical Practice* Thomas G. Gutheil, Archie Brodsky, 2011-11-30 What do you do when you run into a patient in a public place How do you respond when a patient suddenly hugs you at the end of a session Do you accept a gift that a patient brings to make up for causing you some inconvenience Questions like these which virtually all clinicians face at one time or another have serious clinical ethical and legal implications This authoritative practical book uses compelling case vignettes to show how a wide range of boundary questions arise and can be responsibly resolved as part of the process of therapy Coverage includes role reversal gifts self disclosure out of office encounters physical contact and sexual misconduct Strategies for preventing boundary violations and managing associated legal risks are highlighted      *Social Work Values and Ethics* Frederic G. Reamer, 2018-11-06 For decades teachers and practitioners have turned to Frederic G Reamer's *Social Work Values and Ethics* as the leading introduction to ethical decision making dilemmas and professional conduct in practice A case driven concise and comprehensive textbook for undergraduate and graduate social work programs this book surveys the most critical issues for social work practitioners The fifth edition incorporates significant updates to the National Association of Social Workers Code of Ethics and new practice and model regulatory standards used by social service and licensing agencies around the world Reamer also focuses on how social workers should navigate the digital world through discussion of the ethical issues that arise from practitioner use of online services and social networking sites to deliver services communicate with clients and provide information to the public and what standards will protect confidential information transmitted electronically He highlights potential conflicts between professional ethics and legal guidelines and expands discussions of informed consent confidentiality and privileged communication boundaries and dual relationships documentation conflicts of interest and risk management Conceptually rich and attuned to the complexities of ethical decision making *Social Work Values and Ethics* is unique in striking the right balance among history theory and practical application      **Ethics for Addiction Professionals** Jennifer D. Berton, 2013-12-03 Guidance for addiction counselors in understanding and applying ethical standards Filled with proven strategies to help you examine your current practice for ethical snags and refresh your ethical thinking *Ethics for Addiction Professionals* leads you in examining building and rebuilding aspects of your ethical practice with the goal of helping you become the strongest clinician possible ethically speaking Up to date and comprehensive this practical guide examines real life examples of ethical issues in clinical practice and illustrates potential pitfalls and the actions needed when faced with dilemmas Helping addiction counselors learn how to deal with and apply ethical standards *Ethics for Addiction Professionals* explores the gray area of common dilemmas and provides guidelines on how to determine the best course of action when the best course is unclear Covers basic principles that affect current ethical concerns and dilemmas Includes illustrative real world case studies Features well defined professional codes of ethics Treats ethics as a set of guidelines designed to protect the client the clinician and the profession as a whole      *Ethics and Values in Social Work: Oxford*

Bibliographies Online Research Guide Frederic G. Reamer, 2010-05 This ebook is a selective guide designed to help scholars and students of social work find reliable sources of information by directing them to the best available scholarly materials in whatever form or format they appear from books chapters and journal articles to online archives electronic data sets and blogs Written by a leading international authority on the subject the ebook provides bibliographic information supported by direct recommendations about which sources to consult and editorial commentary to make it clear how the cited sources are interrelated related A reader will discover for instance the most reliable introductions and overviews to the topic and the most important publications on various areas of scholarly interest within this topic In social work as in other disciplines researchers at all levels are drowning in potentially useful scholarly information and this guide has been created as a tool for cutting through that material to find the exact source you need This ebook is a static version of an article from Oxford Bibliographies Online Social Work a dynamic continuously updated online resource designed to provide authoritative guidance through scholarship and other materials relevant to the study and practice of social work Oxford Bibliographies Online covers most subject disciplines within the social science and humanities for more information visit [www.oxfordbibliographies.com](http://www.oxfordbibliographies.com)

**Mental Health Policy, Practice, and Service Accessibility in Contemporary Society** Martin, Jennifer M., 2018-10-05 Mental health and wellbeing has become an increasingly important issue that impacts communities in multiple ways A critical discussion on the understanding and access of mental health services by people from diverse backgrounds is important to improving global healthcare practices in modern society Mental Health Policy Practice and Service Accessibility in Contemporary Society provides innovative insights into contemporary and future issues within the field of mental healthcare The content within this publication represents the work of medical funding social inclusion and social work education It is a vital reference source for post graduate students medical researchers psychology professionals sociologists and academicians seeking coverage on topics centered on improving future practices in mental health and wellbeing

Applied Ethics in Mental Health Care Dominic A. Sisti, Arthur L. Caplan, Hila Rimon-Greenspan, 2013-09-20 This volume discusses some of the most critical ethical issues in mental health care today including the moral dimensions of addiction patient autonomy and compulsory treatment privacy and confidentiality and the definition of mental illness itself

Substance Use Disorders in Lesbian, Gay, Bisexual, and Transgender Clients Sandra Caughran Anderson, 2009 Internalized homophobia alienation poor support structures and high levels of depression all contribute to substance abuse among lesbian gay bisexual and transgender individuals with social activity at bars and clubs reinforcing addictive behavior The threat of bias in treatment programs also prevents many from seeking help An essential resource for human service professionals searching for the latest research on these unique issues this volume features both state of the art practice methods for treating substance use disorders and up to date analyses of sexual orientation and gender identity issues heterosexism and the ethical challenges of working with the LGBT community Sandra Anderson discusses practice with

individuals couples families and small groups as well as practice at the program level Drawing on case studies with her own clients and from social service agencies that treat LGBT clients Anderson emphasizes evidence based treatment models including motivational enhancement therapy contingency management the matrix model and community reinforcement Packed with recommendations for effective practice this singular volume confronts the obstacles faced not only by clients with addictions but also by the LGBT population as a whole *Social Workers' Desk Reference* ,2015-04-20 People all over the world are confronted by issues such as poverty a lack of access to quality education unaffordable and or inadequate housing and a lack of needed health and mental services on a daily basis Due to these issues there is a need for social workers who have access to relevant and timely scholarly materials in order to meet the needs of those facing these issues The social psychological and biological factors resulting from these issues determine the level of a person s mental health at any given point in time and it is necessary for social workers to continue to evolve and develop to the new faces and challenges of the times in order to adequately understand the effects of these issues In the first and second editions of the Social Workers Desk Reference the changes that were occurring in social work practice education and research were highlighted and focused upon This third edition continues in the same tradition and continues to respond to the changes occurring in society and how they are impacting the education research and practice of social work as a whole With 159 chapters collaboratively written by luminaries in the profession this third edition serves as a comprehensive guide to social work practice by providing the most recent conceptual knowledge and empirical evidence to aid in the understanding of the rapidly changing field of social work Each chapter is short and contains practical information in addition to websites and updated references Social work practitioners educators students and other allied professionals can utilize the Social Workers Desk Reference to gain interdisciplinary and interprofessional education practice and research **Supervision as**

**Collaboration in the Human Services** Michael J. Austin,Karen Hopkins,2004-03-23 The authors have assembled some of the finest minds in the field of supervision studies to produce Supervision as Collaboration in the Human Services Key aspects of a learning organization and the process of organizational learning are explored across the various human services social mental health health and aging making this an essential core text for graduate and undergraduate students of social work and counselling as well as for human services supervisors and practitioners **Social Work Practice** Marion Bogo,2006 In Social Work Practice a highly respected clinician educator presents concise bottom line information on how to interview clients Case examples demonstrate how the practitioner can use these ideas in a range of situations

**Confronting Injustice and Oppression** David G. Gil,2013-07-16 More urgent than ever David G Gil s guiding text gives social workers the knowledge and confidence they need to change unjust realities Clarifying the meaning sources and dynamics of injustice exploitation and oppression and certifying the place of the social worker in combating these conditions Gil promotes social change strategies rooted in the nonviolent philosophies of Mahatma Gandhi and Martin Luther King Jr He

shares suggestions for transition policies intended to alleviate poverty unemployment and discrimination and examines modes of radical social work practice compatible with the UN Universal Declaration of Human Rights and President Roosevelt's proposed Economic Bill of Rights For this updated edition Gil considers the factors driving two crucial developments since his volume's initial publication the Middle East's Arab Spring and the U S Occupy Wall Street movement

**Living Through Loss** Nancy R. Hooyman, Betty J. Kramer, 2006 Hooyman and Kramer's starting point is that loss comes in many forms and can include not only suffering the death of a person one loves but also giving birth to a child with disabilities living with chronic illness or being abused assaulted or otherwise traumatized They approach loss from the perspective of the resilience model which acknowledges the capacity of people to integrate loss into their lives and write sensitively about the role of age race culture sexual orientation gender and spirituality in a person's response to loss from publisher information

**Achieving Ethical Competence for Public Service Leadership** Terry L Cooper, 2014-12-18 This book shows students entering the public service as well as professionals in the field how to become ethically competent to provide the leadership needed to advance the public interest The book doesn't just talk about ethics The contributors describe how ethical competence should guide organizational conduct All chapters are original and written by experts in the PA field for this book

**Research Anthology on Mental Health Stigma, Education, and Treatment** Management Association, Information Resources, 2021-02-05 In times of uncertainty and crisis the mental health of individuals become a concern as added stressors and pressures can cause depression anxiety and stress Today especially with more people than ever experiencing these effects due to the Covid 19 epidemic and all that comes along with it discourse around mental health has gained heightened urgency While there have always been stigmas surrounding mental health the continued display of these biases can add to an already distressing situation for struggling individuals Despite the experience of mental health issues becoming normalized it remains important for these issues to be addressed along with adequate education about mental health so that it becomes normalized and discussed in ways that are beneficial for society and those affected Along with raising awareness of mental health in general there should be a continued focus on treatment options methods and modes for healthcare delivery The Research Anthology on Mental Health Stigma Education and Treatment explores the latest research on the newest advancements in mental health best practices and new research on treatment and the need for education and awareness to mitigate the stigma that surrounds discussions on mental health The chapters will cover new technologies that are impacting delivery modes for treatment the latest methods and models for treatment options how education on mental health is delivered and developed and how mental health is viewed and discussed It is a comprehensive view of mental health from both a societal and medical standpoint and examines mental health issues in children and adults from all ethnicities and socio economic backgrounds and in a variety of professions including healthcare emergency services and the military This book is ideal for psychologists therapists psychiatrists counsellors religious leaders mental health

support agencies and organizations medical professionals teachers researchers students academicians mental health practitioners and more Social Work, Social Justice & Human Rights Colleen Lundy, 2011-01-01 The second edition of this popular social work practice text more fully addresses the connection between social justice and human rights

**Interprofessional Ethics** Donna McAuliffe, 2021-10-22 The social work health and human services sectors employ a variety of professionals to provide care to people There is an increasing need for practitioners to be skilled in ethical decision making as the professional practice context becomes more complex and concerned with risk management Interprofessional Ethics explores the ethical frameworks policies and procedures of professional practice for multidisciplinary teams in health government and community based workplaces The second edition includes content on criminology environmental practice youth work practice the intersection of law and ethics and cultural content including non Western philosophies and Indigenous worldviews New Through the eyes of a practitioner boxes provide insight into the professional experiences of practitioners in the field while reflection points and links to further readings encourage students to think critically about the content Interprofessional Ethics encourages readers to better understand the perspectives approaches and values of others preparing them to work within collaborative teams *Domestic Violence* Lettie L Lockhart, Fran S Danis, 2010-02-04 In *Domestic Violence Intersectionality and Culturally Competent Practice* experts working with twelve unique groups of domestic abuse survivors provide the latest research on their populations and use a case study approach to demonstrate culturally sensitive intervention strategies Chapters focus on African Americans Native Americans Latinas Asian and Pacific Island communities persons with disabilities immigrants and refugees women in later life LGBT survivors and military families They address domestic violence in rural environments and among teens as well as the role of religion in shaping attitudes and behavior Lettie L Lockhart and Fran S Danis are editors of the Council of Social Work Education's popular teaching modules on domestic violence and founding co chairs of the CSWE symposium on violence against women and children In their introduction they provide a thorough overview of intersectionality culturally competent practice and domestic violence and basic practice strategies such as universal screening risk assessment and safety planning They follow with collaborative chapters on specific populations demonstrating the value of generalist social work practice including developing respectful relationships that define issues from the survivor's perspective collecting and assessing data setting goals and contracting identifying culturally specific interventions implementing culturally appropriate courses of action participating in community level strategies and advocating for improved policies and funding at local state and federal levels Featuring resources applicable to both practitioners and clients *Domestic Violence* forms an effective tool for analysis and action
