**Media Resource Catalog from the National Audiovisual Center ,1990 African Human Rights Law Journal Volume 20 No 2 2020**

,2020-01-01 In 2020 the African Human Rights Law Journal AHRLJ or Journal celebrates 20 years since it first was published The AHRLJ is the only peer reviewed journal focused on human rights related topics of relevance to Africa Africans and scholars of Africa It is a time for celebration Since 2001 two issues of the AHRLJ have appeared every year Initially published by Juta in Cape Town South Africa in 2013 it became as an open access journal published by the Pretoria University Law Press PULP PULP is a non profit open access publisher focused on advancing African scholarship The AHRLJ contains peer reviewed articles and recent developments discussing the latest court decisions and legal developments in the African Union AU and regional economic communities It contains brief discussions of recently published books With a total of 517 contributions in 40 issues 436 articles and 81 recent developments not counting book reviews on average the AHRLJ contains around 13 contributions per issue The AHRLJ is accredited with the International Bibliography of the Social Sciences IBSS and the South African Department of Higher Education Science and Innovation and appears in a number of open access portals including AfricanLii the Directory of Open Access Journals and SciELO Over the 20 years of its existence many significant articles appeared in the AHRLJ According to Google Scholar the most cited articles that have appeared in the Journal over this period are i T Metz Ubuntu as a moral theory and human rights in South Africa 2011 11 African Human Rights Law Journal 532 559 with 273 citations ii D Cornell and K van Marle Exploring ubuntu Tentative reflections 2005 5 African Human Rights Law Journal 195 220 with 97 citations iii S Tamale Exploring the contours of African sexualities Religion law and power 2014 14 African Human Rights Law Journal 150 177 with 85 citations K Kindiki The normative and institutional framework of the African Union relating to the protection of human rights and the maintenance of international peace and security A critical appraisal 2003 3 African Human Rights Law Journal 97 117 with 59 citations and T Kaime The Convention on the Rights of the Child and the cultural legitimacy of children's rights in Africa Some reflections 2005 5 African Human Rights Law Journal 221 238 with 54 citations This occasion allows some perspective on the role that the Journal has played over the past 20 years It is fair to say that the AHRLJ contributed towards strengthening indigenous African scholarship in general and human rights related themes specifically Before the Journal there was no academic outlet

devoted to human rights in the broader African context Both in quantity and in quality the Journal has left its mark on the landscape of scholarly journals The AHRLJ has provided a forum for African voices including those that needed to be fine tuned Different from many other peerreviewed journals the AHRLJ has seen it as its responsibility to nurture emerging but not yet fully flourishing talent This approach allowed younger and emerging scholars to be guided to sharpen their skills and find their scholarly voices The AHRLJ has evolved in tandem with the African regional human rights system in a dialogic relationship characterised by constructive criticism When the Journal was first published in 2001 the Protocol on the Establishment of an African Court on Human and Peoples Rights African Court Protocol was not yet in force Over the years the Journal tracked the evolution of the African Court on Human and Peoples Rights African Court from a faltering start through a phase when it increasingly expressed itself in an emerging jurisprudence to the current situation of push back by states signalled by the withdrawal by four states of their acceptance of the Court s direct individual access jurisdiction The same is largely true for the African Committee of Experts on the Rights and Welfare of the Child African Children s Committee It was in 2001 that the AU elected the first members of this Committee It first met in 2002 and its first decade or so was lackluster The Committee examined its first state report only in November 2008 and decided its first communication in March 2011 Articles by authors such as Mezmur and Sloth Nielsen who also served as members of the Committee and Lloyd placed the spotlight on the work of the Committee Initially these articles primarily served to describe and provide information that otherwise was largely inaccessible but over time they increasingly provided a critical gaze and contributed to the constructive evolution of the Committee s exercise of its mandate By 2011 the African Commission on Human and Peoples Rights African Commission was already quite well established but it also underwent significant growth over the subsequent 20 year period Numerous articles in the Journal trace and analyse aspects of this evolution Contributions in the Journal also cover most of the AU human rights treaties and soft law standards A number of issues contain a special focus section dealing with a thematic issue of particular relevance or concern such as the focus on the Protocol to the African Charter on the Rights of Women 2006 no 1 30 years of the African Charter 2011 no 2 and sexual and reproductive rights and the African Women s Protocol 2014 no 2 The scope of the Journal extends beyond the supranational dimension of human rights Over the years many contributions explored aspects of the domestic human rights situation in countries such as the Democratic Republic of the Congo Eswatini Ethiopia Lesotho Malawi Mauritius Nigeria South Africa Tanzania Uganda and Zimbabwe From time to time the specific focus sections also veered towards domestic human rights protection See for instance the focus on 20 years of the South African Constitution 2014 no 2 on adolescent sexual and reproductive rights in the African region 2017 no 2 on the rule of law in sub Saharan Africa 2018 no 1 and on dignity taking and dignity restorations 2018 no 2

A Gamecock Odyssey Alan Piercy, 2023-11-14 Meet the coaches athletes and notable characters that laid the foundation for today s Gamecock Nation The summer of 1971 was especially hot in Columbia and not just

because of the weather It was that year that a long simmering conflict between the University of South Carolina and the Atlantic Coast Conference ACC reached the point of boiling over Frustrations over the ACC s recruiting and admission standards and growing pressure from influential athletics director and head football coach Paul Dietzel led the board of trustees to cast a vote in favor of leaving the conference that USC had helped to found eighteen years earlier This vote would mark the beginning of a new independent era of Gamecock athletics but few at the time could have imagined the resulting twenty year odyssey In A Gamecock Odyssey University of South Carolina Sports in the Independent Era Alan Piercy chronicles the significant events and describes the larger than life characters of the years following the university s departure from the ACC The University of South Carolina experienced some of the highest highs and lowest lows in its athletics history Tales of interpersonal clashes between football head coach Paul Dietzel and men s basketball head coach Frank McGuire the rise and fall of women s basketball coach Pam Parsons George Rogers and his magical Heisman Trophy winning season the birth of USC s beloved mascot Cocks and other USC sports stories converge stirring feelings of amusement nostalgia and pride With colorful storytelling and Gamecock pride Piercy gives college sports fans a behind the scenes tour of these raucous decades He explains how South Carolina s independent era tells the broader story of NCAA sports conference realignment Title IX the impact of the civil rights movement on college athletics the evolution of college sports media coverage and the development of college sports into a multi billion dollar business sustained by TV broadcast and licensing rights A Gamecock Odyssey captures the spirit of the time and shows the reader how those years influenced today s Gamecock culture and national obsession with college athletics
