Cream and Punishment Susannah Nix, 2022-01-18 I thought this new job would be the fresh start I desperately needed I didn't expect the woman who broke my heart to be my new coworker Do you believe in love at first sight I didn't Not until the night I looked up from my book and saw Lucy Dillard sitting in the same noisy bar as me with her nose buried in her own book It felt like we were made for each other When I fell for Lucy I fell hard Everything was perfect between us until she suddenly dumped me The worst part was she wouldn't even tell me why Now not only am I stuck staring at my ex's face in the office all day long but she's also the one assigned to train me As if there's not already enough tension between us she thinks I'm here to steal the promotion she's been promised But the more we're forced to work together the better I understand her And the more I realize how much we kept hidden from each other Now that I know what Lucy's had to go through and how different her world is from mine I'm more in love with her than ever I just need to convince the girl who got away that I'm worth a second chance and pray she doesn't break my heart all over again CREAM AND PUNISHMENT is a swoony full length second chance romance packed with small town feels and messy family shenanigans Featuring an unforgettable menstrual cup mishap a nerdy book loving heroine who's in over her head and a cinnamon roll hero with a spicy side it stands alone and promises an HEA ending

Undeniable Lexxie Couper, 2020-03-19 The story is beautiful in its complex simplicity and so authentically real that you can't help but immerse yourself into the lives of the characters on the pages Big Bec's Book Blog Chase is tough snarky witty and fiercely loyal to her family She is also hearing impaired which makes the world around her sound like white noise a lot of the time But that's okay she can deal It's not like she's actually deaf and she's learned to lip read when it suits her What she can't deal with is guys like Caden who think their looks and charm will win her over They won't because Chase has zero interest in pursuing a relationship with someone who's leaving the country soon What would be the point Well there is the fun they have together The way Caden shows he cares about things greater than himself like abandoned dogs There's his smile his eyes and his wicked sense of humor In fact if Chase

ever admitted it to herself she might say Caden is just about perfect But how could a perfect guy possibly ever want someone who isn't It was all background noise until he came into her life The Always series is a 3 book series about love life laughter and hope Originally released under the pen name Cherie M Hudson the Always series is Lexxie Couper unlike you've read before
