Kiss of the Yogini David Gordon White,2024-05-31 For those who wonder what relation actual Tantric practices bear to the Tantric sex currently being marketed so successfully in the West David Gordon White has a simple answer there is none Sweeping away centuries of misunderstandings and misrepresentations White returns to original texts images and ritual practices to reconstruct the history of South Asian Tantra from the medieval period to the present day Kiss of the Yogini focuses on what White identifies as the sole truly distinctive feature of South Asian Tantra sexualized ritual practices especially as expressed in the medieval Kaula rites Such practices centered on the exchange of powerful transformative sexual fluids between male practitioners and wild female bird and animal spirits known as Yoginis It was only by drinking the sexual fluids of the Yoginis that men could enter the family of the supreme godhead and thereby obtain supernatural powers and transform themselves into gods By focusing on sexual rituals White resituates South Asian Tantra in its precolonial form at the center of religious social and political life arguing that Tantra was the mainstream and that in many ways it continues to influence contemporary Hinduism even if reformist misunderstandings relegate it to a marginal position Kiss of the Yogini contains White s own translations from over a dozen Tantras that have never before been translated into any European language It will prove to be the definitive work for persons seeking to understand Tantra and the crucial role it has played in South Asian history society culture and religion

Tantric Sex: The Complete Guide to Discover the Best Tantric Secrets for Meditation, Yoga, Massage, and Obtain a New Sex Life Full Evelyn Jaymes,2020-10-07 Did you know that tantric sex is NOT all about sex Or that it could be a path to healing several other areas of your life What if you could experience full body orgasms that lasted for hours Doesn t that sound incredible The truth is the strength of your relationship is not forged during the dates you have or how much time you spend together as a couple A strong loving bond that can withstand the test of time is built during the most precious and intimate moments you share with your partner It is built during sex Having sex should be more than just satisfying your hormonal lust or desires Sex should be a time when you connect with your partner in a way so deep you re both brought to the brink of ultimate bliss Originating in India sometime between 300 and 400 of the Common Era CE the concept of tantra can be detected dating back to 2000 BC Ancient civilizations have long been harnessing the power of this remarkable practice and the modern world we live in is only now waking up all the glorious possibilities tantric sex can bring Tantric sex is not a religion It is a practice and a way of life It doesn t just teach you the various sex methods you could use for greater pleasure alone It teaches you how to give and receive the loving energy between a pair of lovers It teaches you about awakening the internal spirit the energy of life that flows within us all to connect with your spiritual side and restore meaning to your life It reminds us that our bodies are a temple and that within every man and woman there resides a God and Goddess Tantric sex is about
