Daoism in Japan Jeffrey L. Richey, 2015-05-01 Like an ancient river Daoist traditions introduced from China once flowed powerfully through the Japanese religious landscape forever altering its topography and ecology Daoism's presence in Japan still may be discerned in its abiding influence on astrology divination festivals literature politics and popular culture not to mention Buddhism and Shint Despite this legacy few English language studies of Daoism's influence on Japanese religious culture have been published Daoism in Japan provides an exploration of the particular pathways by which Daoist traditions entered Japan from continental East Asia After addressing basic issues in both Daoist Studies and the study of Japanese religions including the problems of defining Daoism and Japanese the book looks at the influence of Daoism

on ancient medieval and modern Japan in turn To do so the volume is arranged both chronologically and topically according to the following three broad divisions Arrivals c 5th 8th centuries CE Assimilations 794 1868 and Apparitions 1600s present The book demonstrates how Chinese influence on Japanese religious culture ironically proved to be crucial in establishing traditions that usually are seen as authentically even quintessentially Japanese Touching on multiple facets of Japanese cultural history and religious traditions this book is a fascinating contribution for students and scholars of Japanese Culture History and Religions as well as Daoist Studies **Perceiving the Divine through the Human Body** T. Cattoi,J.

McDaniel,2011-11-07 Cattoi and McDaniel present a selection of articles on the role of the body and the spiritual senses our transfigured channels of sensory perceptions in the context of spiritual practice The volume investigates this theme across a variety of different religious traditions within Christianity Hinduism Buddhism and Daoism Daoism: A Guide for the Perplexed Louis Komjathy,2014-03-13 Daoism is a global religious and cultural phenomenon characterized by multiculturalism and ethnic diversity Daoism A Guide for the Perplexed offers a clear and thorough survey of this ancient and modern religious tradition The book includes an overview of Daoist history including key individuals and movements translations of primary Daoist texts and discussions of key dimensions of Daoist religiosity covering primary concerns and defining characteristics of the religion Specifically designed to meet the needs of students and general readers seeking a thorough understanding of the religion this book is the ideal guide to studying and understanding Daoism as a lived and living religious community **Science and Technology in World History** William E. Burns,2020-02-07 This encyclopedia offers an interdisciplinary approach to studying science and technology within the context of world history With balanced coverage a logical organization and in depth entries readers of all inclinations will find useful and interesting information in its contents Science and Technology in World History takes a truly global approach to the subjects of science and technology and spans the entirety of recorded human history Topical articles and entries on the subjects are arranged under thematic categories which are divided further into chronological periods This format along with the encyclopedia s integrative approach offers an array of perspectives that collectively contribute to the understanding of numerous fields across the world and over eras of development Entries cover discussions of scientific and technological innovations and theories historical vignettes and important texts and individuals throughout the world From the discovery of fire and the innovation of agricultural methods in China to the establishment of surgical practices in France and the invention of Quantum Theory this encyclopedia offers comprehensive coverage of fascinating topics in science and technology through a straightforward historical lens Cultivating Perfection Louis Komjathy,2007-09-30 This important work focuses on early Quanzhen Complete Perfection Daoism a twelfth century Daoist religious movement and subsequent monastic order Emphasis in this first study to approach Quanzhen from a comparative religious studies perspective is placed on the complex interplay among views of self specific training regimens and the types of experiences that were expected to follow from dedicated praxis On

the basis of historical contextualization and textual analysis it is demonstrated that in its formative and incipient organized phases Quanzhen was a Daoist religious community consisting of a few renunciants dedicated to religious praxis The study proper is followed by a complete annotated translation of a text attributed to the founder which represents one of only two early Quanzhen texts translated to date Subsequent appendices address issues of dating and contents of the early textual corpus as well as technical Quanzhen religious terminology

Religion and Everyday Life and Culture Vincent F. Biondo, Richard D. Hecht, 2010-03-25 This intriguing three volume set explores the ways in which religion is bound to the practice of daily life and how daily life is bound to religion In Religion and Everyday Life and Culture 36 international scholars describe the impact of religious practices around the world using rich examples drawn from personal observation Instead of repeating generalizations about what religion should mean these volumes examine how religions actually influence our public and private lives on the ground on a day to day basis Volume one introduces regional histories of the world s religions and discusses major ritual practices such as the Catholic Mass and the Islamic pilgrimage to Mecca Volume two examines themes that will help readers understand how religions interact with the practices of public life describing the ways religions influence government education criminal justice economy technology and the environment Volume three takes up themes that are central to how religions are realized in the practices of individuals In these essays readers meet a shaman healer in South Africa laugh with Buddhist monks sing with Bob Dylan cheer for Australian rugby and explore Chicana and Iranian art

Purposes, Means and Convictions in Daoism Florian C. Reiter, 2007 Purposes Means and Convictions in Daoism A Berlin Symposium II contains twelve articles that represent contributions of international scholars who specialise in studies of religious Daoism In 2005 they participated in a symposium with the same title that the Seminar fur Sinologie at Humboldt University Berlin staged with the support of the Deutsche Forschungsgemeinschaft DFG Bonn The two parts of the book Historical and Ritual Traditions I and Varieties of Religious Activities and Functions II mirror the understanding of the basic themes as developed during the symposium and the ensuing discussions The articles cover periods and developments from the beginning of the religious Daoism up to the late 19th century The four Chinese contributions are accompanied by English summaries

Appropriating the Dao Lukas K. Pokorny, Franz Winter, 2024-04-04 Assembling original contributions this book is a pioneering attempt to address the Euro American esoteric reception and appropriation of China Positioned between eighteenth century s mesmerism and intersections with the modern martial arts current the contributions specifically centre on nineteenth and early twentieth century occult appraisals and representations This book opens up an under explored area of research in the field of East West interactions and the global history of religions

From Tao to Psychology Julian Laboy, 2012-06-30 In Western territories the last two centuries have been demanding many so called scientific fields of study a set of ideas that would change some of their traditional worldviews These new ideas come from another set of worldviews that run parallel or have very similar discursive direction to traditional Eastern perspectives In the

West this is happening in the fields of Psychology Biology Neurosciences Physics and others On the other hand Eastern perspectives that share similar views with the relatively new Western ideas are Buddhism Taoism and Hinduism This book will concentrate on the example of the similarities between specific theories in Psychology and Classical Taoism Those similarities can be seen in three themes union or separation of mind and body union or separation of reason and emotions and finally the construction or representation of knowledge The primary goal is to see the possibilities of sharing and learning from both sides of the world to walk a bridge that unites them This is an introduction to the communication between East and West that is already taking place in many parts of the world

China Developing George Fusun Ling,2008 This book deals with the intellectual foundation of the sociopolitical economic and legal systems of developing countries using a methodological approach It calls for not only the need to search for a country s cultural identity but also a need to analyze the prevalent concepts important to a contemporary modern society such as the respect for an individual human rights freedom equality democracy and the universal respect for law Based on the author s lifelong reflection on why some of these deeply treasured Western values and institutions have not been useful in developing democracy in Asia it examines which values are applicable and which are not to Asian emerging societies Using China s historical and contemporary attempts in modernization and development the author suggests that all mighty rivers are confluences of multiple tributaries Likewise an emerging society has to recognize that the dynamism of its history would also be derived from a confluence of multiple cultural traditions As a valuable resource for decision makers of developing countries this book will help to shed some light on the potential pitfalls and fallacies they may encounter in their search for a cultural identity and values to subscribe to among the many that are circulating in our globalized world Sample Chapter s Chapter 1 Introduction 164 KB Contents Respect for the Individual Person and Individualism Human Rights and Individual Rights Freedom from Want and Freedom of Choice Equality and Respect for Differences Democracy and the Democratic Process Law and Order Readership Policy makers of developing countries students undergraduates and graduates teachers and all intellectuals concerned with the development of their own countries general readership

After Imperialism Richard R Cook,David W Pao,2012-04-26 Is the Church merely a Western institution Where does Christianity fit in with Chinese identity Does Chinese Evangelism detract from Chinese culture This collection of essays addresses Christian Evangelism within a historical context to China s diverse character and explores prejudices and reactions to the evangelical movement throughout China The contributors of this volume are committed to the belief that evangelicalism continues to have the historical assets and intellectual hermeneutical and theological tools able to contribute to the global church

Riding the Wind with Liezi Ronnie Littlejohn,Jeffrey Dippmann,2012-01-02 The Liezi is the forgotten classic of Daoism Along with the Laozi Daodejing and the Zhuangzi it s been considered a Daoist masterwork since the mid eighth century yet unlike those well read works the Liezi is little known and receives scant scholarly attention Nevertheless the Liezi is an important text that sheds valuable light on the early history of

Daoism particularly the formative period of sectarian Daoism We do not know exactly what shape the original text took but what remains is replete with fantastic characters whimsical tales paradoxical aphorisms and philosophically sophisticated reflection on the nature of the world and humanity's place within it Ultimately the Liezi sees the world as one of change and indeterminacy Arguing for the Liezi's historical philosophical and literary significance the contributors to this volume offer a fresh look at this text using contemporary approaches and providing novel insights The volume is unique in its attention to both philosophical and religious perspectives

World Philosophies Ninian Smart, 2013-12-19 World Philosophies presents in one volume a superb introduction to all the world's major philosophical and religious traditions Covering all corners of the globe Ninian Smart's work offers a comprehensive and global philosophical and religious picture In this revised and expanded second edition a team of distinguished scholars assembled by the editor Oliver Leaman have brought Ninian Smart's masterpiece up to date for the twenty first century Chapters have been revised by experts in the field to include recent philosophical developments and the book includes a new bibliographic guide to resources in world philosophies A brand new introduction which celebrates the career and writings of Ninian Smart and his contribution to the study of world religions helps set the work in context

The Many Faces of Coincidence Laurence Browne, 2017-11-10 Although much has been said and written about coincidences there is a marked absence when it comes to the development of a comprehensive model that incorporates the many different ways in which they can be understood and explained One reason for this omission is undoubtedly the sharp divide that exists between those who find coincidences meaningful and those who do not with the result that the conclusions of the many books and articles on the subject have tended to fall into distinct camps The Many Faces of Coincidence attempts to remedy this impasse by proposing an inclusive categorisation for coincidences of all shapes and sizes At the same time some of the implications arising from the various explanations are explored including the possibility of an underlying unity of mind and matter constituting the ground of being

Nurturing a Daoist-Inspired Classroom Pedagogy Through the Contemplative Lenses of Teacher Diaries David McLachlan Jeffrey, 2024-08-01 The harmonizing influence of ancient Daoist philosophy is of much relevance to the world in which we live today and this is especially so in the field of global education Among the growing numbers of contemporary teachers and scholars who nurture Daoist wisdom in their classrooms this book takes the unique pathway of considering its applications through the contemplative lenses of teacher diaries Its South African born author has taught academic English for over three decades in Japan the Middle East and the People's Republic of China Since early childhood he has infused his fascination for Daoist wisdom with his enjoyment of writing diaries and in ways that derive insights into the compassionate frugal and humble foundations of Daoist inspired pedagogies within contemporary classroom environments This book presents Daoist wisdom in terms of it being the Supreme Ultimate of all ways It introduces the classical Daoist texts of the Laozi the Zhuangzi and the Liezi and shares a short historical overview of Daoism with its growing global influence As such it

emphasizes that Daoist inspired pedagogies encourage a delicate balance between intuitive insights and intellectual analysis and in ways that are not antagonistic toward each other but which dance together as one In this regard the role of meditation during the undertaking of diaries is specifically highlighted concerning its propensity to bring one into the present moment pacify racing thoughts and transcend the ego It also shows how a meditative state of mind that accompanies the reading writing and analysis of the diary entries contributes to deeper self discernment along with unique intuitive insights related to oneself as a teacher and the classroom environment In addition this book describes how the Wordsmith Tools Program and the Book of Changes can be used as additional approaches to analyzing thought patterns within the diary entries and how these also nurture inward contemplations and the intuitive insights that accompany them Thereafter considerations based on the applications of core Daoist principles for classroom pedagogies are filtered through the contemplative lenses of teacher diaries These principles are the unintentional integrity of de the complementary duality of yin yang the cosmic vitality of qi the self so ness of ziran the unforceful spontaneity of wuwei and the unblemished purity of pu This book illustrates through its diary lenses how these six Daoist principles can be nurtured in ways that contribute to a scholarliness that is grounded in an equal appreciation for the logical applications of intelligence along with the uniqueness of intuitive creativity which cannot be explicitly taught but which spontaneously arises from within the deep reservoirs of intuitive wisdom which exist within the true selves of everyone In addition this book shares pearls of Daoist wisdom for teachers from within the poetic chapters of the Laozi as well as within the amusingly enlightening stories in the Zhuangzi and the Liezi such that their ancient teachings can be applied to Daoist inspired pedagogies and nurtured in ways that unite the joyfulness and scholarly efficacy of both teaching and learning It is shown how doing so enhances a sense of awe wonder openness and contemplative oneness within the classroom environment making it a happier more contented and more meaningful place for both teachers and students
