In works that occupy a unique midground between painting and sculpture, Catalan artist Antoni Tàpies (1923-2012) fused the material vocabulary of *Arte Povera* and the gestural energy of Abstract Expressionism with the mystical sensibility of Iberian Catholicism. Tàpies showed a preference for an austere palate and unconventional materials reflecting the limited resources of his political environment. He spent three decades of his long productive career in Barcelona where he lived and died under the dictatorship of Francisco Franco. In that time, Tàpies confronted many of the paradoxes a creative artist faces under an authoritarian and anti-intellectual regime. In painting, sculpture, writing, and other mediums, his work existed in conversation with the currents of contemporary art in the West while within the strictures of an oppressive state. *Antoni Tàpies: Political Biography* illuminates the artist's responses to the conditions of his native Catalonia, reproducing documents such as letters, manifestoes, and samples of the media reception Tàpies generated over the years, alongside reproductions of works from across his career. Texts by artists, curators, and critics discussing Tàpies and the context of his oeuvre, plus a comparative chronology, are also included. *Antoni Tàpies* Antoni Tàpies, 2024 **Antoni Tàpies** Antoni Tàpies, Jean-Luc Chalumeau, 2004 Life and works of the Catalan painter, sculptor, and art theorist. *Eyewitness Companions: Art* Robert Cumming, 2005-10-17 This title covers all of the key movements in Western art history from Classicism to conceptual art and profiles more than 780 of the world's greatest artists. Specially commissioned illustrations and photographs written by experts in each field using the award-winning design of the *Eyewitness Travel Guides*. *Eyewitness Companions* are the ultimate visual handbook to a wide range of subjects. Text previously published in *ART A Field Guide*. Antoni Tàpies: Paintings, Sculpture and Prints Antoni Tàpies, 1992
