A Little Taste of Freedom Emilye Crosby,2006-05-26 In this long term community study of the freedom movement in rural majority black Claiborne County Mississippi Emilye Crosby explores the impact of the African American freedom struggle on small communities in general and questions common assumptions that are based on the national movement The legal successes at the national level in the mid 1960s did not end the movement Crosby contends but rather emboldened people across the South to initiate waves of new actions around local issues Escalating assertiveness and demands of African Americans including the reality of armed self defense were critical to ensuring meaningful local change to a remarkably resilient system of white supremacy In Claiborne County a highly effective boycott eventually led the Supreme Court to affirm the legality of economic boycotts for political protest NAACP leader Charles Evers brother of Medgar managed to earn seemingly contradictory support from the national NAACP the segregationist Sovereignty Commission and white liberals Studying both black activists and the white opposition Crosby employs traditional sources and more than 100 oral histories to analyze the political and economic issues

The Taste of Pomegranate Seeds Sage Bava, 2025-05-15 The Taste of Pomegranate Seeds follows the journey of falling into darkness the learning and finally the light where reality slips identity fractures and the world becomes distant and surreal in the height of derealization and depersonalization The experience can feel isolating terrifying and impossible to articulate With the interweaving of Persephone's myth and personal recollections these poems and reflections trace a journey through shadow where love and control blur where the past lingers like a ghost and where the self is both lost and found At once intimate and universal The Taste of Pomegranate Seeds unearths the beauty that can emerge from darkness the wisdom that pain imparts and the resilience that allows us to rise again Sage Bava began writing these pieces at nineteen in the depths of derealization a time when she ached for language and understanding but had neither She hopes this book offers solace a mirror for those who have known longing and a hand to hold for those reclaiming their story Knowing the darkness makes the light that much sweeter This book is a testament to survival the complexity of desire and the possibility of renewal
