Traditional Recipes of the Axarquía Malcolm Coxall, 2013-07-18 The Axarquía is a small remarkable corner of Andalucía in Spain It has witnessed some of the most culturally cataclysmic events of the last 4000 years of European history such as the arrival of the first modern human beings in Europe the invasion of the Phoenicians Byzantines Romans Visigoths Arabs and most recently the Christians It is a bountiful area with fertile soils and a good climate However it is not always an easy place In just a few years the climate of the area can fluctuate from abundance to drought The geography of the region makes access very difficult to this day many of its villages are remote often inaccessible These extraordinary historical climatic and geographical conditions have made the Axarquía an area of great diversity One of the most interesting facets of the region is its cuisine It is full of Roman Arab Jewish and Christian culinary tradition The cuisine of the Axarquía is a delicious and exciting voyage of exploration in taste and history
