The High Adventure of Eric Ryback Eric Ryback, 1978

Backpacker, 1995-05 *Backpacker* brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. *Backpacker's* Editors' Choice Awards, an industry honor recognizing design, feature, and product innovation, has become the gold standard against which all other outdoor industry awards are measured. **A Blistered Kind of Love** Angela

Ballard, Duffy Ballard, 2003 Describes one young suburban couple's adventure-filled trek along the Pacific Crest Trail from Mexico to Canada, detailing the personal and physical challenges they faced, their unique encounters with wildlife and fellow hikers, the stunning scenery they discovered, and their ultimate success. Winner of the 2003 Barbara Savage Miles from Nowhere Award. Simultaneous.

Backpacker, 1973 *Backpacker* brings the outdoors straight to the reader's doorstep inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, *Backpacker* is the world's first GPS-enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. *Backpacker's* Editors' Choice Awards, an industry honor recognizing design, feature, and product innovation, has become the gold standard against which all other outdoor industry awards are measured. *The Pacific Crest Trailside Reader, Oregon and Washington* Rees Hughes, Corey Lewis, 2011-10-17 Unique woodcut illustrations decorate both volumes. Trail map to follow story locations in each volume. For both hikers and armchair adventurers of the PCT. Exploring the people, places, and history of the Pacific Crest Trail as it ranges 2,600 miles from Mexico to Canada. THE PACIFIC CREST TRAILSIDE READER EBOOK brings together short excerpts from classic works of regional writing with boot-tested stories from the trail. The heart of this anthology is these real trail tales: stories taken from PCT hikers, trailside humor, and traditions; trail angels and trail magic; encounters with wildlife and wild weather; stories of being lost and found; rescues and unusual incidents. Revealing a larger context are historical accounts of events such as Moses Schallenger's winter on Donner Pass and pioneer efforts like the old Naches Road that ended up creating access to today's trails. Native American myths and legends such as that of Lost Lake near Mount Hood and selections from highly regarded environmental writers who have captured the region in print, including Mary Austin in *The Land of Little Rain*, John Muir in *The Mountains of California*, and Barry Lopez in *Crossing Open Ground*. Readers will also enjoy a few more surprising contributions from the likes of Mark Twain and Ursula Le Guin. For this digital edition of the PCT READER, we combined our two print volumes into a single robust ebook that features stories from both the CALIFORNIA and OREGON WASHINGTON volumes. Because the two-volume set is a compilation of old and new essays, however, the editors were not able to obtain digital publication rights for some of the previously published material. So while this combination ebook includes all the newly commissioned stories as well as many

other pieces for which the editors did have digital access there are approximately four contributions from each of the printed books that do not appear here Summary of Trail of the Lost by Andrea Lankford GP SUMMARY,2023-09-17 DISCLAIMER This book does not in any capacity mean to replace the original book but to serve as a vast summary of the original book Summary of Trail of the Lost by Andrea Lankford The Relentless Search to Bring Home the Missing Hikers of the Pacific Crest Trail IN THIS SUMMARIZED BOOK YOU WILL GET Chapter astute outline of the main contents Fast simple understanding of the content analysis Exceptionally summarized content that you may skip in the original book Andrea Lankford a former law enforcement park ranger and investigator embarks on a quest to find missing hikers along the Pacific Crest Trail After leaving the National Park Service after twelve years she discovers three young men have vanished from the trail She joins an eclectic team of amateurs including a mother of the missing a retired pharmacy manager and a mapmaker They track kidnappers murderers cults psychics and international fugitives The search for the missing is a brutal psychological and physical test but their hardships lead them to unexpected places and people The book explores hiker culture determination generosity and hope and the vast and treacherous nature of the natural world The Pursuit of Endurance Jennifer Pharr Davis,2019-04-09 National Geographic Adventurer of the Year Jennifer Pharr Davis unlocks the secret to maximizing perseverance on and off the trail Jennifer Pharr Davis a record holder of the FKT fastest known time on the Appalachian Trail reveals the secrets and habits behind endurance as she chronicles her incredible accomplishments in the world of endurance hiking backpacking and trail running With a storyteller's ear for fascinating detail and description Davis takes readers along as she trains and sets her record analyzing and trail testing the theories and methodologies espoused by her star studded roster of mentors She distills complex rituals and histories into easy to understand tips and action items that will help you take perseverance to the next level The Pursuit of Endurance empowers readers to unlock phenomenal endurance and leverage newfound grit to achieve personal bests in everything from sports and family to the boardroom *Pacific Crest Trail: Oregon & Washington* Jordan Summers,2020-11-10 The PCT's 1 Guide for More Than 45 Years First published in 1974 The Pacific Crest Trail Vol 2 Oregon Washington quickly established itself as the book trekkers could not do without Now thoroughly updated and redesigned Pacific Crest Trail Oregon Washington starts at the California Oregon border and guides you to the edge of Canada It winds past rivers peaks forests meadows fascinating geological formations and other natural wonders such as Mount Hood Mount Rainier and Glacier Peak Let PCT gurus Jordan Summers Jeffrey P Schaffer and Andy Selters share more than four decades of expertise with you They'll help you with everything you need to know about this 1 005 5 mile section of the 2 650 mile trail which traverses 24 national forests 37 wilderness areas and 7 national parks In this book you'll find All in one guide by accomplished hikers who have logged over 5 000 trail miles Detailed trail descriptions and alternate routes Full color customized maps drawn to scale with one another Need to know information for day hikes weekend backpacks and an ambitious thru hike Tips for locating the trail water sources and
