Kabbalah Howard A. Addison, 2006 An updated and expanded examination into the groundbreaking exploration and connection of two of the most powerful mystical traditions Patterns in our lives may escape us reasons for our behavior often confuse us To help us better understand the interplay of these dynamics Rabbi Howard A Addison combines two of the most powerful maps of consciousness known to humanity the Tree of Life the sefirot from the Jewish mystical tradition of Kabbalah and the nine pointed Enneagram that was developed over several generations by mystics of several spiritual traditions Individually each offers guidance and wisdom together they show the forces that propel us and shape our personalities and behavior Most important the two suggest how we can live more harmoniously with ourselves and with others minimize friction and tension and discover our own spiritual gateway to God In this updated and expanded edition of his pioneering book Rabbi Addison explores new understandings of the stages and pitfalls we experience along life's journey and the ways we can transcend the limits of our personalities in search of greater wholeness He shows that when brought together the Enneagram and Kabbalah may enhance understanding of humanity's deepest motivations both individually and collectively thus opening wider the gate to personal growth *The Counselor's Guide for Facilitating the Interpretation of Dreams*

Evelyn M. Duesbury, 2011-01-07 For both students and practicing counselors this book fills the gaps that exist between many current academic programs and practitioner's needs for focused training on how to better assist clients with dream interpretations Its main focus is on dreams concerning family members and other major figures in the dreamer's life with whom he or she interacts Readers will first learn how to understand and use their own dreams and then how to apply this in order to facilitate their clients interpretations of dreams They will be amazed and fascinated by the issues emotions and problem solving suggestions that are often revealed as they guide their clients use of a personalized dream interpretation method developed by the author Through the use of a detailed case example of a client and her dreams the author shows how each step of this method can be applied and carried out in practice and is easily integrated with contemporary

psychotherapies especially cognitive behavior therapies
