METKOVIC,2020 *The Story of Philosophy* Will Durant,1926 **Atlantis the Final Solution** Zia Abbas,2002-06-07 The mystery of Atlantis is finally solved The ocean which we call Atlantic was named thus just a few centuries ago however the Greeks used to call all seas of the world Atlantic Once we realize this we discover that the location of Atlantis matches 100% with the present day Indonesia in South China Sea It was believed that the naration of Atlantis only exists in the dialogues of Plato however my research has revealed that accounts of Atlantis also exist in Sumerian Indian and other histories as well The surprize is that the naration of Atlantis also exists in Old Testament This book provides a complete solution to the Atlantis mystery Who was the founder of Atlantis Where was it located What was the history of Atlantis What was the religion of Atlanteans How such a great civilization came to an end You will find answers to all these questions and much more in this scientific analysis of our history world and universe

The Mystery of "Shakespeare" Revealed William Henry Churcher,1886 **Imagining Atlantis** Richard Ellis,1999-08-10 Ever since Plato created the legend of the lost island of Atlantis it has maintained a uniquely strong grip on the human imagination For two and a half millennia the story of the city and its catastrophic downfall has inspired people from Francis Bacon to Jules Verne to Jacques Cousteau to speculate on the island s origins nature and location and sometimes even to search for its physical remains It has endured as a part of the mythology of many different cultures yet there is no indisputable evidence let alone proof that Atlantis ever existed What then accounts for its seemingly inexhaustible appeal Richard Ellis plunges into this rich topic investigating the roots of the legend and following its various manifestations into the present He begins with the story s origins Did it arise from a common prehistorical myth Was it a historical remnant of a lost city of pre Columbians or ancient Egyptians Was Atlantis an extraterrestrial colony Ellis sifts through the scientific evidence marshaled to prove these theories and describes the mystical and spiritual significance that has accrued to them over the centuries He goes on to explore the possibility that the fable of Atlantis was inspired by a conflation of the high culture of Minoan Crete with the destruction wrought on the Aegean world by the cataclysmic eruption around 1500 b c of the volcanic island of Thera or Santorini A fascinating historical and archaeological detective story *Imagining Atlantis* is a valuable addition to the literature on this essential aspect of our mythohistory
