Managers transitioning as leaders often find it difficult to adjust in the corporate world when they are sandwiched between employees reporting to them and the Management who expect results and execution of certain actions that they may not agree to personally. This results in many managers being downsized with time or demoted. Transitioning from a Manager to a leader requires several skills. This book can be used in varied ways as a great resource for trainers to build their training modules by companies as a resource to help customize their needs and conduct training sessions by management or finishing school students to brush up their skills. Individuals as a reading resource for self development and finally as a great gift to someone who finds adjusting into a leadership role difficult or has just been promoted from a managerial position to that of a leader. To the Managers in particular Just became a manager a little confused about your responsibilities you feel you are doing right yet proven to be wrong each time Don't worry this book will help you in smooth transitioning from a Manager to a Leader but do not race through each topic Learn Reflect and then Implement
