I Served by Don C. Hall and Annette R. Hall, 2001-01-31 I SERVED was written differently from most other Vietnam memoirs Instead of being a chronological recitation of my experiences growing up in the orphanage and then going to Vietnam and serving with Co F 51st Long Range Patrol Airborne Infantry I made its focus be the characters in the story That is its greatest strength and what makes it such a good read Because I focused so closely on character you really get to care about the person Don Hall because you know what makes him tick what is important to him and what drives him You are also engaged by the other people you meet in the story because they are so clearly drawn You don't have to be a military buff to enjoy the book I SERVED is a factual story backed up by official U S Army records Col William C Maus the man who formed F 51st LRP told me where to find that documentation I also have copies of handouts we received when we went to Recondo

School Before he died he told me how much he enjoyed reading the book He praised me for having written such a great story about a unit he was proud to have commanded He was a visionary who knew our unit was the vanguard for future U S Army military strategy and tactics I remember his telling me at the time that F 51st LRP was making history Being just a na ve 19 year old staff sergeant I didn t understand the significance of that statement I do now The current print and ebook versions of I SERVED are a second edition to the original 1994 hardbound edition with a revised preface and afterword a new War Stories section with stories from other men with whom I served and new photographs
