tiny Gopher Prairie after marrying the local doctor and tries to bring culture to the small town But her efforts to reform the prairie village are met by a wall of gossip greed conventionality pitifully unambitious cultural endeavors and worst of all the pettiness and bigotry of small town minds Lewis s portrayal of a marriage torn by disillusionment and a woman forced into compromises is at once devastating social satire and persuasive realism His subtle characterizations and intimate details of small town America make Main Street a complex and compelling work and established Lewis as an important figure in twentieth century American literature
