

The Wise Men Visit Jesus

An illustration depicting the Three Wise Men following the Star of Bethlehem. The scene is set in a desert at night, with a bright star shining in the dark sky. Three camels, each carrying a rider, are shown in profile, moving from right to left towards the star. The riders are dressed in traditional Middle Eastern attire, including long robes and head coverings. The star is a bright, multi-pointed star with rays emanating from it, illuminating the scene. Edited and presented here for the first time, Byrd's commonplace book is a collection of moral wit and wisdom gleaned from reading and conversation. The nearly six hundred entries range in tone from hope to despair, trust to dissimulation, and reflect on issues as varied as science, religion, women, Alexander the Great, and the perils of love. A ten-part introduction presents an overview of Byrd's life and addresses such topics as his education and habits of reading and his endeavors to understand himself sexually, temperamentally, and religiously, as well as the history and cultural function of commonplacing. Extensive annotations discuss the sources, background, and significance of the entries.
