Smart School Teams:

The Handbook for SMART School Teams Anne E. Conzemius, Jan O'Neill, 2013-12-18 Prepare your students for the future while juggling the expectations of multiple stakeholders A fresh take on the classic first edition this guide defines and advocates SMART goals goals that are Strategic and specific Measurable Attainable Results oriented and Time bound Gain a schoolwide understanding of how to cultivate a productive collaborative culture and engage every member of your team in the process

The Handbook for Smart School Teams Anne Conzemius, Jan O'Neill, 2014-05-21 Educators face an often overwhelming set of tasks including educating the whole child preparing students for the future meeting all students daily needs meeting multiple stakeholders expectations and being accountable to government mandates In *The Handbook for SMART School Teams Second Edition Revitalizing Best Practices for Collaboration* authors Anne E Conzemius and Jan O'Neill offer a revamped edition of their groundbreaking resource to support educators and school teams as they meet these challenges head on Like the first edition *The Handbook for SMART School Teams Second Edition* examines SMART goals goals that are strategic and specific measurable attainable results oriented and time bound This enhanced guide provides both theory and practical advice on how to create SMART teams in SMART schools The authors draw on feedback from district administrators school principals classroom teachers educational consultants and even college professors to create a deeper understanding of school success and provide K 12 teachers and administrators with a more powerful tool for school improvement The book is split into three parts Part one lays the groundwork for building effective teams Part two offers tools and processes to sustain effective teamwork Finally part three describes methods for schoolwide improvement Starting part one chapters 1 and 2 show readers how to cultivate an atmosphere of collaboration and define team roles In chapter 3 K 12 teachers and administrators will learn the characteristics of building effective teams and of giving and receiving effective feedback Part two starts with chapter 4 which focuses on planning organizing and executing meetings Readers will also explore different types of meetings and their pros and cons In chapters 5 and 6 educators will gather effective collaboration tools to better understand how staff students and stakeholders view their schools Chapter 7 explores the power of data tools and educators will examine how data are beneficial for more than identifying problems Finally part three begins with chapter 8 which offers methods for organizing all team members into a cohesive system In chapter 9 K 12 teachers and administrators will learn a process for schoolwide improvement selecting a leadership team preparing the school for change and isolating key questions to ask during the process Appendix A provides additional examples and tools and appendix B provides reproducibles to support SMART schools
