Finnen, 2004-01-16 Through stories spirituals and recommended resource books Finnen exposes students to the rich history and heritage of Africa and African Americans Each chapter provides the teacher or librarian with beautifully told folktales that provide the basis for further exploration of the chapter's focus This rich resource is ideal for language arts and social studies classes and provides an invaluable source of information for public and school librarians Topics include African American Storytellers Ancestral Africa Atlantic Slave Trade The Underground Railroad Emancipation and Reconstruction The Civil Rights Movement Spiritual Heritage Musical Legacy      **Cameroon** Ben West, 2008 This guide explores the geographical diversities of Lake Chad in the north Mount Cameroon in the west and the dense rainforests of the south      **Talking Drums**, 1985      **All Die Be Die** Kweku Abbey, 2011-09      *Adventure*, 1929      *Talking Drums of Africa* John F. Carrington, 1969      *Journey of Hope* Debbie Kaufman, 2014-01-01 Marriage Is Not Her Mission Escaping a society wedding Annabelle Baldwin followed her heart to Liberia to pursue her calling as a missionary But when an attempted kidnapping lands her under the protection of Stewart Hastings Anna's journey takes a new turn The wounded war veteran needs a guide through the jungle It's a job the underfunded missionary can't refuse despite the feelings Stewart stirs in her guarded heart Stewart knows he won't succeed without Anna's expertise And when danger puts her life at risk he realizes he cannot live without Anna by his side But what will it take for a man who has lost his faith to capture the heart of a woman who lives for hers      **Risen Bones, Wandering Spirits** Itai T. Mupanduki, 2012-03-19 Commencing with the call to arms and resistance against colonial oppression this book begins on familiar territory for many The author then explores ingeniously the path of the struggle for freedom and the entrenched power brokers sustaining the colonial structure Mabhonzo a prophetic guerilla leader predicts what would happen if the struggle deviates from its true aims mainly true liberty true emancipation true self determination rooted in the progressive ways of the people Meanwhile the reader is taken years ahead to former colonies now independent but still struggling from the yoke of the power brokers and lack of genuine leadership The author then craftily takes the reader to see the blind triumph to independence where sadly the prophet does not live to see this day Independence is followed by unprecedented corruption and repression which leads to an ultimate confrontation of the powerful and their global collaborators against a few good men and women The reader then ends up in very unfamiliar waters where a war of morals erupts with the ultimate victory of the good taking place and a new order finally created The Risen Bones and the wandering spirits tells us that all it takes for evil to thrive is for good men and women to do nothing It signifies the ongoing search and the ultimate discovery of peace justice and human goodwill underlined by struggle against evil      Djogbachiachuwa Syrulwa Somah, 2012-08 Djogbachiachuwa is an attempt by the Liberian Literature Project 2012 set forth by the Liberian History Education Development Inc LIHEDE to close this literary gap It is also an attempt to have the rest of the world to read more

of Liberian literature through the eyes of Liberians other than themselves It is believed that people who do not know their own history culture or language have nothing of worth and beauty to pass on to successive generations and is thus doomed and condemned to perpetual warfare and poverty The Liberian Literature Anthology Project 2012 is an endeavor to depart from this self defeating historical trend to produce an Anthology of Liberian literature that draws on the tradition of each ethnic subgroup in Liberia
