Gonzales,2023-12-15 *Impresiones de un Surumato en Nuevo M xico* by Manuel Sari ana represents a remarkable literary recovery For the first time the novella is presented in its original Spanish and in English painstakingly translated and annotated by Phillip B Gonzales Manuel Sari ana came to the New Mexico territory from Mexico to work as a Spanish language journalist While covering politics he wrote and published *Impresiones de un Surumato en Nuevo M xico* as a picaresque work a common genre in Mexico that uses satire to narrate a drama based on concrete social issues in the author s immediate vicinity In his preface Sari ana makes his intent clear to address the unseemly manner in which New Mexico s Democratic Party attempts to gain leverage in elections But in a caricature of two immigrant peons he surreptitiously takes to task how nuevomexicanos look down on people from Mexico Gonzales provides a critical introduction an interpretation of Sari ana s piece and a historical framework to contextualize the author s experiences and the events alluded to in the novella The result brings this important work of fiction and its sociopolitical background to a new generation of readers *Waco Rising* Kevin Cook,2023-01-31 Named one of The New Yorker s Best Books of 2023 A news making account of the war between David Koresh s Branch Davidians and the FBI and how their standoff launched today s militias In 1993 David Koresh and a band of heavily armed evangelical Christians took on the might of the US government A two month siege of their compound in Waco Texas ended in a firefight that killed seventy six including twenty five children America is still picking up the pieces and we still haven t heard the full story Kevin Cook who revealed the truth behind a mythic misunderstood murder in his 2014 *Kitty Genovese* finally provides the full story of what happened at Waco He gives readers a taste of Koresh s deadly charisma and takes us behind the scenes at the Branch Davidians compound where the new Christ turned his followers into servants and sired seventeen children by a dozen wives In vivid accounts packed with human drama Cook harnesses never reported material to reconstruct the FBI s fifty one day siege of the Waco compound in minute to minute detail He sheds new light on the Clinton administration s approval of a lethal governmental assault in a new definitive account of the firefight that ended so many lives and triggered the rise of today s militia movement Waco drew the battle lines for American extremists in Oklahoma City bomber Timothy McVeigh s words Waco started this war With help from

sources as diverse as Branch Davidian survivors and the FBI's lead negotiator during the siege Cook draws a straight line from Waco's ashes to the January 6 2021 riot at the US Capitol and insurrections yet to come Unmissable reading for anyone interested in the truth of what happened in Texas three decades ago Waco Rising is chillingly relevant today Here is the spark that ignited today's antigovernment militias [The Horn Book Guide to Children's and Young Adult Books](#) ,1991
