**Bulletin** ,1963      **Drainage Area Data for Georgia Streams** Robert F. Carter,1959      The Jordan Gang Hugh Pendley,2008-12-18 History records a great deal about ante bellum southern life General Sherman s march to the Sea is an indelible part of history Yet there is a chapter of that era that has gone by unnoticed even to the point that there is a story that needs to be told In the Appalachian Mountains of Northern Georgia there was a surprising amount of sentiment felt for the Union There were Confederate military units created called Home Guards with the purpose of removing these elements of Union support This was the setting for conflict There were many skirmishes between Federal Cavalry and the Home Guards Also the novel gives insight into life of that little known region Included are details about making whiskey hunting and trapping the essentials of survival There is a story of one such unit led by a man that turned his command into lawless criminals that were no better than common horse thieves This character provides a psychology subplot of human nature when not restrained by the rule of law      **FCC Record** United States. Descendants J D Weeks,2011 **The Boys of Nepera Park** Art Odell,2012-06-05 With thirteen stories about boys being boys Art Odell transports you to the 1940s and the wild escapades of teenage kids in a rural community of New York State in an era of unbridled unabashed freedom and independence when you slammed the screen door behind you on a summers morning and didnt slam it again till suppertime when forced to wash your face and hands you gulped down the meat and potatoes and let it fly again doing as you pleased from sunup till sundown nobody bothering you and nobody knowing what you did and when not even your worst enemy for the day would rat on you and the only rules to go by were the ones you made up and sometimes what youd been taught and mostly what you thought was right at the time like blowing a trolley car off the track rustling a circus horse and hiding it in a friends backyard saving a family of muskrats from Booby the trapper playing Ratgolf on the city dump launching Boobys mothers cat in a borrowed circus balloon and watching it fly off to Connecticut Truly safe from harm the only real threat to your well being was yourself or awful bad luck and the closest thing to a dangerous drug was a cigarette It was a brief magical moment in time that only great prosperity and progress could eradicate The Part About the Dragon Was (Mostly) True Sean Gibson,2020-12-11 TERRY PRATCHETT meets THE WITCHER in this pee your pants laughing fantasy novel Sure you think you know the story of the fearsome red dragon

Dragonica How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers call for aid How nothing could stop those courageous souls from facing down the beast How they emerged victorious and laden with treasure But even in a world filled with epic adventures and tales of derring do where dragons goblins and unlicensed prestidigitators run amok legendary heroes don t always know what they re doing Sometimes they re clueless Sometimes beleaguered townsfolk are more hapless than helpless And orcs They re not always assholes and sometimes they don t actually want to eat your children Heloise the Bard Erithea s most renowned storyteller is here to set the record straight See it turns out adventuring isn t easy and true heroism is as rare as an articulate villager Having spent decades propagating this particular myth which incidentally she wrote she s finally able to tell the real story for which she just so happened to have a front row seat Welcome to Erithea I hope you brought a change of undergarments things are going to get messy hr Evoking the dry humor of Terry Pratchett and absurdist trope subversions of Monty Python Gibson s story is clever twisty and bursting with sidesplittingly funny one liners Fantasy fans are guaranteed a laugh Publisher s Weekly if Gibson continues to put out work of this quality and high level of entertainment will be a success story along the lines of Michael R Fletcher M L Spencer or Rob J Hayes Grimdark Magazine I can t praise the story enough If you want something light hearted and fun to read that will zip by quickly but still want to feel like you got the content you hoped for this is definitely the book you should pick up The Inkslinger Book Reviews Mr Sean Gibson would be extremely fun to play Dungeons and Dragons with Verified Reviewer
