Dr. Smith Kiiza, 2023-03-14 Throughout the Bible God s law and His grace are interwoven They are not at odds as some think What does the Bible really say about law and grace The Bible reveals how God thinks It contains laws that God gave for your good Deuteronomy 10 13 Romans 7 12 They are beneficial family rules that show us how to love God the way He wants to be loved and how to love fellow human beings in the way that promotes the greatest peace and happiness God s laws are not a burden but a blessing 1 John 5 3 However the truth is that no human being except Jesus Christ has perfectly obeyed God s laws Going against God s perfect and holy laws creates a rift between us and our holy Creator His perfect righteousness can t coexist with the vile corruption of sin The horrible stain of sin must be removed if we are ever to have the close family relationship that God so greatly desires While the law defines sin clearly showing us what actions are right and wrong keeping the law even keeping it perfectly cannot remove the penalties for our previous sins and reconcile us to God We are saved for good works not by good works Ephesians 2 10 God s grace His love and mercy and all of His generous gifts makes reconciliation possible Grace does not remove the beneficial laws but through Christ s sacrifice pays the penalty of sin It is

not a case of law vs grace God's revelation is that law and grace work together So why do so many today believe grace abolishes God's law or that they are at odds In this section we carefully examine the teachings of the Bible on law and grace to see what God really intended

The Angels Are in Wyoming G. David Redding, 2016-01-28 As Jack Samson rides into the small Wyoming town of Grigsby one wintery morning he does not know what lies in store for him All he does know is that announcing his arrival with gunfire and soon after beating the local drunk even if it is to protect a child makes for a bad first impression But then the town's suspicions of him are not completely unfounded after all he is running from the law Still a few locals give their visitor the shadow of a doubt Pastor James Worthington for one and the beautiful widowed innkeeper Virginia White along with her mother and daughter These angels see through the moody mysterious exterior of this dark stranger to find that Samson is merely a bitter soul in need of God's love These allies enlist the help of select locals the blacksmith who offers Samson work but more importantly the church which offers him direction Meanwhile Virginia and Jack find themselves falling for each other and it isn't long before Samson feels he's on the up and up
