Story Behind the Book This book sprang from a premarital class that Cindy and I taught in the mideighties We were honestly just trying to convey information without boring our students to sleep The class was a tremendous success When Gary Smalley caught wind of it and encouraged me to shape my thoughts into a book I was somewhat skeptical Having hardly recovered from all the books I had to read in seminary I didn't want to write one much less wish the burden of reading on any other poor soul But when Don Jacobson convinced me that I could offer readers a new perspective on their patterns of family conflict we published the first edition of this book and I am still teaching its content Now this revision specifically meets today's audience
