Talks Of John Paul II:

Man and Woman He Created Them John Paul II, Michael Waldstein, 2019-03-01 A new critical translation of Pope John Paul II's talks on the Theology of the Body by the internationally renowned biblical scholar Michael Waldstein. With meticulous scholarship and profound insight, Waldstein presents John Paul II's magnificent vision of the human person. Includes a preface by Cardinal Schönborn, a foreword by Christopher West, a comprehensive index of words and phrases, a scriptural index, and a reference table for other versions of the papal texts. Recipient of a CPA Award. [Crossing the Threshold of Hope](#) Pope John Paul II, 2013-07-31 A great international bestseller, the book in which on the eve of the millennium Pope John Paul II brings to an accessible level the profoundest theological concerns of our lives. He goes to the heart of his personal beliefs and speaks with passion about the existence of God, about the dignity of man, about pain, suffering, and evil, about eternal life and the meaning of salvation, about hope, about the relationship of Christianity to other faiths, and that of Catholicism to other branches of the Christian faith. With the humility and generosity of spirit for which he is known, John Paul II speaks directly and forthrightly to all people. His message: Be not afraid. *Talks of John Paul II*. Pope John Paul II, 1979. **"Be Not Afraid!"** Pope John Paul II, André Frossard, 1985. **Talks of John Paul II**. Since John Paul II encouraged women and men to expand what he has adumbrated, this book facilitates ongoing dialogue. The principle of the organization of the volume is chronological, compiling John Paul II's teachings on the subject of women arranged by date over the entire term of his Papacy. Since this influential Pope addressed the situation of women from the beginning of his pontificate, this overview of his writings and his spoken addresses best showcases the development and historical context of his thought.
