Beating the Dharma Drum Sangharakshita, 2023-08-16 The first part of this volume consists of Sangharakshita's writings about Anagarika Dharmapala a Sri Lankan Buddhist who made it his life's mission to restore the sacred site of Bodhi Gaya and whom Sangharakshita came to revere as one of the great Buddhists of the twentieth century The second part is made up of articles Sangharakshita wrote for the Maha Bodhi journal first as a regular contributor and then as the editor They include poetic and philosophical reflections on the Dharma as well as trenchant observations on the Buddhist world and calls to action on the issues of the day The third part is a collection of book reviews published in the Maha Bodhi journal and other magazines over the course of nearly fifty years from the days when the appearance of any new translation or commentary was a significant event to more recent times when readers could choose between hundreds of new titles Jane Austen and the Buddha Kathryn Duncan, 2021-11-23 Jane Austen wrote six books that were published at the beginning of the 19th century all with happy endings Yet below the courtship novels sparkling wit and dance scenes flows an undercurrent of suffering Austen had a deep understanding of the sources and cure for suffering that shares much in common with Buddhism Though not intentionally writing through the lens of Buddhism Austen intuitively understood the Buddha's most fundamental teaching of the Four Noble Truths that life contains suffering that we can discover the causes of suffering and that we can stop suffering by following the Eightfold Path described by the Buddha In this book Austen fans or those who wish for a deeper understanding of how stories can alleviate suffering will discover a combination of psychology and Buddhism alongside accessible close readings of Austen This unique approach offers insight into Austen's enduring popularity and lessons we might apply to our own lives to find happiness just like Austen's heroines **Dharma World**, 1983 **Hakuin's Precious Mirror Cave** Norman Waddell, 2010-12-01 From a legendary translator of sacred texts this rich and various gathering of the writings of Hakuin will be important to seasoned practitioners as well as attractive to newcomers to Zen and spiritual seekers of all faiths The two great streams of Zen Buddhism are the Soto sect known as the School of Silent Illumination and the Rinzai school of rigorous koan study Dogen established Soto Zen in Japan and his work is widely known in the West with many of his books translated into English Hakuin is credited with the modern revival of the Rinzai sect and is its most important teacher His life has been a great inspiration to the students and practitioners of Zen in the West and his writings offer great authority and practical application Norman Waddell has devoted a large part of his life to translating and publishing work by and about Hakuin This collection of six diverse and independent works contains five pieces never before translated into English some of which have been until quite recently unknown even in Japan The Making of Indian Diplomacy Deep K.
