**Taming the Tongue** Kinzer Mark, 2015 The Epistle of James says that anyone who considers himself or herself to be religious yet does not tame his tongue is self deceived James says that such a person's religion is worthless On the other hand James refers to the person who tames his or her tongue as a perfect person That's a stark contrast There's a big difference between being a self deceived person engaging in worthless religious practice and being perfect or complete If we take these words of the Bible seriously we need to start taking our own words far more seriously than we normally do Words of blessing and cursing in Scripture do not merely express benevolent hopes or malevolent wishes instead they actually accomplish and ensure the very reward good or evil which they promise Taming the tongue is one of the major concerns in Jewish teachings about ethical conduct *musar* Jewish law strictly forbids gossip slander deprecating language and all types of derogatory remarks This book *Taming the Tongue* adds to Judaism's ongoing conversation about the laws and principles of proper speech from a slightly different angle and contributes to the conversation from a Messianic Jewish perspective bringing to bear the powerful teachings of Yeshua and the apostles
