

The book cover features a woman with blonde, curly hair tied back, wearing a purple velvet jacket. She is looking over her shoulder towards the viewer. The background is a soft-focus landscape with rolling hills, a small village with a church spire, and mountains in the distance under a hazy sky.

Lessons From Meerah: How a Rescued Arabian Mare Helped Me Evolve as a Horsewoman Suzy Graf, 2025-01-05 There is nothing like leading a horse through endless labyrinth like circles or listening to the trickle of water running over swollen legs to place me into a state of contemplation And this is how my story begins Nursing my ten year old Arabian mare through a mysterious week long illness while my mind and this book remembers the five years of work errors triumphs and tragedies that ultimately led to a true partnership with my dressage and trail horse Horseback riding is my passion part of my daily existence and happiness and when my riding horse unexpectedly died I needed to fill the void left in my emotional and social life Enter Meerah a five year old rescued Arabian a horse that my ego assumed I could easily train to my liking But Meerah had her own opinion of how our new relationship should function I should have known better than to apply the negative reinforcement style training that I had used on my old Western Pleasure mount but I didn t I was in my late fifties and for the past twenty years had grown spiritually in my everyday life however my equestrian mind remained mired within dominance It was Meerah who healed my wounded emotions and introduced me to a new way of thinking about horsemanship Lessons from Meerah is a memoir a five year journey of my struggle to remember the simple path one needs to follow to form a successful relationship with a new horse and not to blindly adhere to a recipe for training that I learned when I was much younger Yet ingrained habits are hard to recognize and even harder to break My recently deceased horse knew what I wanted and our invisible body language of a raised rein hand or a touch of the spur would easily catapult my old mare into the proper response But Meerah was young inexperienced and did not understand my minuscule cues let alone being ridden

I was determined to lunge my new mare into submission or bit her head into the proper position or sit heavy and squeeze my legs into controlling her speed I was determined to re create the Western Pleasure and trail horse that I had lost and never considered my new horse could have an opinion let alone a different goal than I Meerah threw me off her back and into a fence bolted and nearly unseated one trainer and successfully wiggled her way out from under another The beautiful Egyptian Arabian was a talented mover and had great potential IF I could figure out how to ride her Two steps forward and one step backwards was the progress we made together as I struggled to get her into the frame I desired And ever so slowly the epiphany of common sense seeped into my blue ribbon seeking equestrian head I learned to accept Meerah s ability to move as a dressage horse and not as a pre destined Western Pleasure horse And as I learned the value of Centered Riding Liberty training and Natural Horsemanship I changed my perspective Meerah was not the typical equine slave I could control Quite the contrary she became a partner And through all these lessons I met new people rekindled old friendships and grew into the horsewoman I am today I ll always treasure the memories and experiences of my youth it is acceptance of change or is it growth that I applaud throughout the contents of this book I hope you find my words and our story inspirational for your own life s journey Suzy and Meerah

Recognizing the habit ways to get this ebook **Tangled Reins Large Print** is additionally useful. You have remained in right site to begin getting this info. get the Tangled Reins Large Print associate that we find the money for here and check out the link.
