Copyright Office, 1964      **Global Tangos** Melissa A. Fitch, 2015-02-25 Global Tangos Travels in the Transnational Imaginary argues against the hackneyed rose in mouth clich s of Argentine tango demonstrating how the dance may be used as a way to understand transformations around the world that have taken place as a result of two defining features of globalization transnationalism and the rise of social media Global Tangos demonstrates the cultural impact of Argentine tango in the world by assembling an unusual array of cultural narratives created in almost thirty countries all of which show how tango has mixed and mingled in the global imaginary sometimes in wildly unexpected forms Topics include Tango Barbie and Ken advertising for phone sex the presence of tango in political upheavals in the Middle East and in animated Japanese children s television programming gay tango porn tango orchestras and composers in World War II concentration camps global tango protests aimed at reclaiming public space the transformation of Buenos Aires as a result of tango tourism and the use of tango for palliative care and to treat other ailments They also include the global development of queer tango theory activism and festivals Global Tangos shows how the rise in social media has heralded a new era of political activism artistry solidarity and engagement in the world one in which virtual global tango communities have indeed

become very real social and support networks The text engages some key concepts from contemporary critics in the fields of tourism studies geography dance studies cultural anthropology literary studies transnational studies television studies feminism and queer theory Global Tangos underscores the interconnectedness of cultural identity economics politics and power in the production marketing distribution and circulation of global images related to tango and by extension Latin America that travel the world

*His Master's Voice/La Voix de Son Maître* Alan Kelly, 1990-09-27 This is a companion volume to the Italian catalogue *La Voce del Padrone* already published by Greenwood Press This new volume provides a complete catalogue of French gramophone recordings made by the Gramophone Company Ltd between 1898 and 1929 During this period the Compagnie Française du Gramophone was the continental European African and Asian end of a powerful partnership between the Victor Talking Machine Company and the Gramophone Company Ltd The volume includes details of Victor recordings issued outside the Americas and hence is a useful adjunct to the series *The Encyclopedic Discography of Victor Recordings* also published by Greenwood Press The first three sections conform to the previously established pattern of listing Gramophone black and celebrity labels followed by the Zonophone green labels and the Gramophone green labels In 1920 it was decided to issue records specifically for the Belgian Flemish market these are detailed in the fourth section The contents of each section are listed in numerical order following the pattern of the early printed catalogues that is bands followed by orchestras followed by talking etc A list of the series actually used precedes each section and acts as a table of contents for the section Each catalogue entry comprises as much as possible of the following information the original numerical catalogue number the matrix serial number the date of the recording the name of the artist s involved the title of the piece alternative issue numbers and occasional notes The introduction provides an overview of the company s recording practices and cataloging systems This volume provides much needed guidance for the serious collector and will be a valuable resource for the music historian

*Ethnic Music on Records* Richard K. *Neapolitan Postcards* gathers a diverse group of international scholars to investigate unexplored transnational aspects of the

intimate yet globally popular canzone napoletana Performed and beloved worldwide in almost every language the style had hits such as Funicul funicul 1880 and O sole mio 1898 which sold millions of copies These hits fueled the tradition s spread across the world over the course of the twentieth century with the eventual popularity of covers by singers and musicians of all music genres and styles from popular music to opera and jazz This book is the first scholarly work that considers the specific complexities of the international Neapolitan Song scenes through case studies from Argentina England Greece and the United States employing analyses of compositions iconographical sources international films mechanical musical instruments performances and recordings devoted to the canzone napoletana

**The Passion of Music and Dance** William Washabaugh, 2020-09-02 The late nineteenth century witnessed the birth and popularization of a number of highly emotional musical styles that played on the eagerness of modern Europeans and Americans to toy with the limits of sanity and to taste the ecstasies of living on the edge This absorbing book explores these popular passionate musical styles which include flamenco tango and rebetika and points out that they arose as well intentioned intellectuals co opted the emotional experiences most closely associated with women In drawing those experiences out of female practice they defined objectified and turned them into strategies of domination the deepest impact of which was felt ironically by modern women In bridging anthropology sociology cultural media body and gender studies this book broadens the base of theory which has ignored the transnational world of Latin and Mediterranean popular culture and makes a powerful statement about the intersection of nationalism sexuality identity and authenticity
