Platoon John F. Antal, 2020-08-31 Extremely clever part tactical decision game TDG part combat adventure page turner and part The Defense of Duffer's Drift Capt Randall P Newman USMC In this unique interactive story you are the leader of a U S Army M1 Abrams tank platoon Throughout the text you will have an opportunity to make life or death decisions and the events that unfold will be dictated by the choices you make As you progress through the book you will learn important tactical and operational lessons Whether or not you are or want to be a tank platoon leader you will find this book both highly entertaining and instructive There are two operations to survive an assault and a counter reconnaissance mission In each you must bring your knowledge and judgment to bear on the scenario in order to achieve the objective If you choose wrong defeat and even death may be your fate If you succeed you can savor the taste of victory and live to fight another day The scenarios are highly realistic and there are maps and appendices with detailed specifications of the hardware involved to help you make informed decisions Written before Operation Desert Storm and published in 1991 Armor Attacks may feature military technology that is dated by today's standards but the need for human leadership and effective rapid decision making has not changed Armor Attacks was recognized as an invaluable teaching tool by United States Military Academy West Point and was used to teach cadets the essential skills of leadership decision making and tactics a decade of USMA leaders trained with this book To supplement the original text this new edition includes the West Point instructor reference guide which explains and amplifies the teaching points of each scenario encountered
