**calm down, you've woken up in paradise** Juan Carlos Madrid López, 2023-08-16 On August 16 2022 my lungs stopped breathing my heart stopped beating and drowning in my own blood my physical body died but that was only the beginning of an experience that would change my life forever In a fascinating near death experience my spirit my consciousness and my whole being were immersed in worlds that are as difficult to explain as they will surely be difficult to believe where the earthly merges with the transcendent Through these pages I want to share a story that defies the limits of human understanding and reminds every reader that we are spiritual beings living a human experience You will discover the infinite beauty and cosmic wisdom that resides in the deepest part of our being This revelation transformed my perspective on life urging me to live each moment with authenticity and fulfillment Each experience became an opportunity to savor existence love intensely pursue dreams with passion and forge deep connections with others This book is a call to look beyond the tangible and embrace the transience of each moment It is an invitation to question our beliefs about life and

**Numerology** Edward Gondwe,2017-05-22 Numerology The Magical Universe of Number and What It Means For Character and Destiny is a fun book that draws upon the fact that numerology is an intuitive science based on the principles of the universe It is based on the truth that numbers are facts found naturally and thus embody functional truths which can describe humanity with ease The preternatural element of number comes before the arbitrary that overlays our civilization and thus describes the power of this book The book shows that symbolism is powerful and has allowed us to capture the archetypal realities of number in drawn symbols coming from deep human psychism from very gifted people in our past And it shows that the number symbolism extends to the alphabet which too is based on number This book has presented numerology with the author focusing directly on the functional realities of numbers and how they describe people and their karma and what all of this means for our race This is an intuitively driven account of numerology and proceeds from extrasensory knowledge of the meaning of the numbers and how it relates to karma and soul characters and descriptions The author is in touch with higher realities so as to make a numerology book that comes from a very high place drawing from functional realities of the universe The book is fun and is meant to show that humanity already has a treasure trove of knowledge about navigating this world and is ready to embrace ever higher forms of evolution and learning Included in this book are historical numerology cases of famous personalities

**The Viceroy's Secret** Colleen Turner,2024-11-20 Calcutta 1888 The monsoon season cloaks the city in a humid embrace the air thick with jasmine and the scent of rebellion Viceroy Sir Jonathan Harrington stands accused of embezzlement a vast sum vanished like smoke But the missing funds are just a whisper of a grander deception a conspiracy entwined with an ancient prophecy and the clandestine machinations of the Calcutta Collective a shadowy organization plotting the downfall of the Raj Amara Patel a barrister caught between her British upbringing and her Indian heritage finds herself at the heart of the Viceroy s scandal Her sharp intellect and unique perspective make her both an asset and a target in a city simmering with unrest As she delves into the Viceroy s finances she uncovers not just evidence of impropriety but a web of intrigue stretching far beyond Calcutta s gilded cages Edward Harrington the Viceroy s troubled son holds a crucial piece of the puzzle a coded ledger hidden within a family heirloom His first encounter with Amara crackles with suspicion but their paths continue to cross drawn together by the investigation and a dangerous attraction Stolen moments amidst the intoxicating fragrance of Mughal gardens ignite a forbidden passion even as the secrets they uncover threaten to shatter their worlds The courtroom becomes a battleground with Amara facing not only the complexities of the case but the insidious influence of the Calcutta Collective Their whispers poison the city swaying judges and silencing witnesses Amara s investigation reveals the embezzlement is a smokescreen for a far more sinister plot to acquire a legendary diamond said to hold immense power and ignite a rebellion that will fulfill the

ancient prophecy Her pursuit of the truth leads her through Calcutta's labyrinthine streets from opulent drawing rooms to hidden temples where she encounters a cast of characters each with their own secrets and agendas As Amara unravels the conspiracy her affection for Edward deepens their stolen moments a stark contrast to the chaos surrounding them Edward torn between family loyalty and his growing belief in Amara's cause must confront his own demons And Sir Jonathan the enigmatic Viceroy remains a puzzle Is he a victim a pawn or the master manipulator pulling the strings from the shadows With the city teetering on the brink of revolution and a grand festival looming Amara must make a harrowing choice expose the Collective and risk plunging India into chaos or protect the man she loves and compromise everything she believes in The Viceroy's Secret is a tale of forbidden love political intrigue and ancient prophecies where the lines between justice and betrayal blur in the shadows of a crumbling empire

**The Gift That changed our lives** Rocío Martín Díez, 2016-04-01 When you're told that your child has brain damage the world falls apart around you No matter what happens to you this is a turning point in your life where you have to take decisions For me it was the moment when I decided without knowing that I had to start a new life an awakening a road with no return Our children with brain injury come to teach us many things it's no coincidence that they have chosen us Felipe has been and is a gift I'm not speaking out of faith or through false hope but rather from the experience of a woman who has discovered how loving herself can make her son improve day by day There's a fine imperceptible thread between a mother and her children a thread that only she recognises but in order to recognise it we must be there in the present and listen to ourselves This is the story of how I've lived since we were told that Felipe had six very serious injuries in his brain when I was twenty weeks pregnant I'd have given a great deal to find a book where someone told me where to start I do hope this book will help you to understand as I have done that your son is coming to achieve much more than you can possibly imagine Among other things so that you let go the control of your life and give yourself up to it so that your heart awakens and you are happy That for me is true healing for both mother and child Felipe is three years old now and is on the point of walking He says a lot of words and laughs non stop This seemed impossible but the truth is that for me now nothing is impossible
