*Tarzan Forever* John Taliaferro, 2002-01-15 A biography that takes a penetrating look at Edgar Rice Burroughs the writer who invented the superhero of the century Tarzan whose adventures continue to enthral audiences of photos **Master of Adventure**, 2005-01-01 So just how was Tarzan created Eager to know the inside story about the legendary John Carter and the amazing cities and peoples of Barsoom Perhaps your taste is more suited to David Innes and the fantastic lost world at the Earth's core Or maybe wrong way Napier and the bizarre civilizations of cloud enshrouded Venus are more to your liking These pages contain all that you will ever want to know about the wondrous worlds and unforgettable characters penned by the master storyteller Edgar Rice Burroughs Richard A Lupoff the respected critic and writer who helped spark a Burroughs revival in the 1960s reveals fascinating details about the stories written by the creator of Tarzan Featured here are outlines of all of Burroughs's major novels with descriptions of how they were each written and their respective sources of inspiration This Bison Books edition includes a new foreword by fantasy writer Michael Moorcock a new introduction by the author a final chapter by Phillip R Burger as well as corrected text and an updated bibliography **Timewalker Forever** Roy Allan Kellosalmi, 2013-12-05 My friends in my attempt to explain to you all just how I feel now I must echo the sentiment that I so ably did express as a four yearold boy sitting in silent meditation upon my familys front porch at Lanark Street Now forty two years ago My friends I wish for you all the very best in life I have nothing more to say FINAL DAY At the end of the final day All is swept forever away Like the tiny grains of a sandcastle Before the waves of the sea the author While half of the world lies in peaceful slumber a solitary writer writes on from the depths of his heart While a full moon keeps watch over his silent lonely vigil Yours forever Timewalker forever **Forever Young** William Crain, 2021-12-13 Celebrate and Rediscover the Restorative Power of Childhood It's easy to sometimes feel that our lives have become dull and stagnant Now in Forever Young psychologist William Crain invites us to consider how six great individuals were able to call upon the powers of childhood to restore their spirits and nurture their creativity Explore the remarkable biographies of Henry David Thoreau Albert Einstein Charlotte Bront Howard Thurman Jane Goodall and Rachel Carson and discover how each one revived childhood qualities such as a sense of wonder playfulness and a feeling for nature and in the process overcame personal roadblocks and expanded our understanding of the world Following these inspiring stories Crain also offers practical suggestions for how we too can reclaim the spirit and strengths of childhood to help us uncover meaning and purpose in our own lives *The British Adventure Hero* Leo Hall, 2025-07-26 This book explores the construction of the fin de siècle adventure hero set against a romanticised vision of the past and a nostalgic ideal of gentlemanliness but also forward looking in terms of forging a future for Britain through the imperialist dream The British Adventure Hero offers a unique focus on how the adventure hero's masculinity is shaped by Victorian industrial technological and scientific developments which influenced concepts of national identity both psychologically and physiologically Central to exploring the relationship

between the adventure hero and industrialisation are the original illustrations that were printed with the stories in periodicals and the first illustrated editions This approach to studying the partnership between both text and illustrations demonstrates that the adventure story is a paradox an outcome of invention scientific technological and industrial progress yet also a supposed escape from nineteenth century industrial modernity The book traces this context through analysis of Robert Louis Stevenson s *Treasure Island* 1883 Arthur Conan Doyle s *The Lost World* 1912 Jules Verne s *Around the World in Eighty Days* 1873 and Edgar Rice Burroughs s *Tarzan of the Apes* 1912 Significantly the book also examines how these authors perspectives on the idealised English identities of their heroes are informed by their Scottish French and American nationalities
