Taste Of Our Time Picasso:

Structural Anthropology, Volume 2 Claude Lévi-Strauss, 1983-02-15 The eighteen essays collected in this volume have been selected and ordered to give what Lévi Strauss terms a bird's eye view of the problems of modern ethnology. As representative examples, these essays introduce readers to the methods of structural anthropology while affording a glimpse into the mind of one of the foremost anthropologists of our time. **Structural Anthropology Volume II** is a diverse collection. It is a useful sampler that gives a reader the full range of Lévi Strauss's interests. Daniel Bell, *New York Times Book Review*

Adult Catalog: Subjects Los Angeles County Public Library, 1970 **Art Books** Wolfgang M. Freitag, 2013-10-28 First published in 1997, for this second edition of *Art Books: A Basic Bibliography of Monographs on Artists*, the vast number of new books published since 1985 was surveyed and evaluated. This has resulted in the selection of 3,395 additional titles. These selections, reflective of the increase in the monographic literature on artists during the last ten years, are evidence of the activities of a larger number of art historians in more countries worldwide, of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically, and also of a lively international art market and the attendant gallery activities. The selections of the first edition have been reviewed; errors have been corrected, and important new editions and reprints have been noted. The second edition contains 278 names of artists not represented in the first edition. **The Junior College Library Collection**, 1970 **Cubism** Emily Braun, Rebecca A. Rabinow, 2014-10-09 This beautifully illustrated volume tells the story of Cubism through twenty-two essays that explore the most significant private holding of Cubist art in the world today, the Leonard A. Lauder Collection, now a promised gift to The Metropolitan Museum of Art. The eighty works featured in this volume by Georges Braque, Juan Gris, Fernand Léger, and Pablo Picasso are among the most important and visually arresting in the movement's history. These masterpieces, critical to the development of Cubism, include such groundbreaking paintings as Braque's *Trees at L'Estaque*, considered one of the very first Cubist pictures; Picasso's *Still Life with Fan*; Léger's *Portrait of a Woman*, one of the first to introduce typography; Gris's *Noirish*, an uncanny *The Man at the Café*, one of his most celebrated collages; and Léger's uniquely ambitious *Composition: The Typographer*. Written by renowned experts on this subject, the essays trace the evolution of Cubism from its origins in the still-life portraits and collages of Braque and Picasso through the precisely delineated compositions by Gris that prefigure the Synthetic Cubism of the war years to Léger's distinctive intersections of spherical, cylindrical, and cubic forms that evoke the syncopated rhythms of modern life. Also included are a fascinating interview in which Leonard Lauder discusses his approach to collecting, an investigative essay on the information gleaned from the backs of the works themselves, and an authoritative catalogue that further establishes the lives of these magnificent objects. A publication to place alongside the great histories of Modernism, this comprehensive book will stand as the resource for understanding Cubism for many years to come. □□□□□□□□□□ □□ □□□□□□, 1986 **A Writer of Our Time** Joshua Sperling, 2018-11-20 This engaging intellectual biography traces Berger's

creative evolution analyzes highlights from his vast output and situates them within his empathetic Marxism The New Yorker The first intellectual biography of the life and work of John Berger John Berger was one of the most influential thinkers and writers of postwar Europe As a novelist he won the Booker prize in 1972 donating half his prize money to the Black Panthers As a TV presenter he changed the way we looked at art with Ways of Seeing As a storyteller and political activist he defended the rights and dignity of workers migrants and the oppressed around the world Far from dragging politics into art he wrote in 1953 art has dragged me into politics He remained a revolutionary up to his death in January 2017 Built around a series of watersheds at once personal and historical A Writer of Our Time traces Berger s development from his roots as a postwar art student and polemicist in the Cold War battles of 1950s London through the heady days of the 1960s when the revolutions were not only political but sexual and artistic to Berger s reinvention as a rural storyteller and the long hangover that followed the rise and fall of the New Left Drawing on first hand unpublished interviews and archival sources only recently made available Joshua Sperling digs beneath the moments of controversy to reveal a figure of remarkable complexity and resilience The portrait that emerges is of a cultural innovator as celebrated as he was often misunderstood and a writer increasingly driven as much by what he loved as by what he opposed A Writer of Our Time brings the many faces of John Berger together repatriating one of our great minds to the intellectual dramas of his and our time The Collected Essays
