

A First-Hand Account of the 1980 Riot
at the Penitentiary of New Mexico

The Hate Factory

Revised Edition

By G. Hirliman

Based on interviews with inmate W. G. Stone

The Hate Factory

LL Leslie

The Hate Factory:

The Hate Factory David Leslie, 2011-04-01 Convicted murderer Billy Ferris has endured more than three decades behind bars in many of Britain's prisons. In *The Hate Factory* he candidly documents his experiences in jail with some of the UK's most notorious criminals. Jailed for life in 1977 for a crime of passion, Ferris experienced betrayal and treachery on the inside. He unexpectedly formed friendships that led to his being labelled a bomber's crony and found love while on the run after a dramatic escape. He vividly describes the cruelty, savagery and degradation that go hand in hand with prison life and details the nightmare that was Wormwood Scrubs, the prison he christened the Hate Factory. He relays what happened when his cell was used as a courtroom for an IRA punishment trial and how he hatched a plan to assassinate the son of a legendary underworld godfather and plotted to murder an informer. Over the 30 years during which Ferris has been imprisoned, his fellow inmates have included some of the UK's most wanted from London underworld enforcer Mad Frankie Fraser to Archie Hall, the serial killer dubbed the Monster Butler.

The Hate Factory Georgelle Hirliman, 2005 *The Hate Factory* is an eye witness account of the 1980 uprising at the Penitentiary of New Mexico, the most barbaric prison riot in US history.

The Hate Factory W. G. Stone, 1982 **The Hate Factory** Erica Carle, 1974 *The Publishers Weekly*, 1982 *The Painter and Decorator*, 1924 *Academic Freedom to Teach and to Learn* Anna S. Ochoa-Becker, 1990

The five chapters of this book on teachers' need and responsibility to prepare themselves for criticisms and attacks on their teaching methods and materials deal with the scope of censorship issues, the significance of academic freedom, recent judicial rulings, school community tensions and case studies of censorship cases. The first chapter, *Child Abuse in the Hate Factory*, Edward Jenkinson describes tactics used by critics of public education to create dissatisfaction among parents and to encourage people to challenge books, courses and teaching methods. The paper lists 50 aspects of public education targeted at one time or another by schoolbook protesters. Chapter 2, *The Significance of and Rationale for Academic Freedom*, Jack Nelson discusses the professional and social significance of academic freedom, teacher competence necessary for academic freedom, some problems and some needed improvements. The chapter called *Academic Freedom: What the Courts Have Said*, John Strobe Jr and Cathy Broadwell focuses upon cases where public school teachers went to court arguing for their right to academic freedom and other cases offering insights into teachers' rights. Chapter 4, *Academic Freedom and Community Involvement: Maintaining the Balance*, Arnold Fege discusses social and demographic changes contributing to censorship tensions and argues that parents involved in their children's education should not impose their own values by narrowing the content of the educational program. The fifth and final chapter, *Lessons Learned from Three Schoolbook Protests*, Edward Jenkinson outlines myths about schoolbook protests and describes three Indiana experiences. An appendix prepared by Janet Jones includes *The Typical Censorship Scenario*, *Six Case Studies with Helpful Tips*, *Countering Far Right Tactics*, *Generic Materials Selection* and *Survival Tips*. References accompany each paper. JDD
