The Half Brothers

Elizabeth Cleghorn Gaskell

The Half Braothers:

The Half-Brothers Elizabeth Cleghorn Gaskell, 2021-02-09 Elizabeth Cleghorn Gaskell's *Half Brothers* follows two brothers Gregory and his younger brother who is left unnamed. After the death of her first husband Helen Gregory's mother remarries a man named William Preston. Together they conceive a child but Helen tragically dies during childbirth. Mourning the loss of his wife but happy about the arrival of his son William is left to raise both children alone. However, since Gregory is quiet slightly awkward and not his biological son, William treats Gregory much differently than he does his younger son. While Gregory is treated like garbage, the younger son secures a position as the darling of the family. Still, Gregory remains to be kind despite the fact that his stepfather's attitude towards him has infected his younger brother as well. As jealousy and resentment build, a catharsis emerges. One winter day, after being sent on an errand by his father, the younger brother decides to take a shortcut home. However, his sense of direction is mistaken, and the short cut leaves him lost and alone. As the snow falls, the temperature drops, and the night begins to set, the younger brother is scared and cold, terrified that he will never make it home. However, when Gregory realizes his brother is missing, he debates going out to find him. Wandering outside as the night begins to reign, would be dangerous and unpleasant. Gregory recalls the instances in which his brother has treated him horribly and feels conflicted whether he should give out compassion and help when it hasn't been earned. With themes of jealousy, love, sacrifice, and family, *Half Brothers* features a moving narrative with intricate characters. As tragedy and sorrows echo throughout Gregory's life, this classic Gaskell narrative invokes strong emotional responses from readers even a century after it was first published. Now presented in an easy-to-read font and featuring a stunning new cover design, this edition of Elizabeth Cleghorn Gaskell's *Half Brothers* is catered to modern readers, updating the classic to be accessible and conformed to contemporary standards while preserving the original genius of the work. *The Half-Brothers* Elizabeth Gaskell, 2020-01-31 One brother is treated like a king by his father because of his bright future, but his older half brother is treated like an outcast. Will they learn to reconcile their differences? **The Half Brother** Lars Saabye Christensen, 2012-01-23 At the end of World War II, twenty-year-old Vera is brutally raped by an unknown assailant. From that rape is born a boy named Fred, a misfit who later becomes a talented boxer. Vera's young son Barnum forms a special but bizarre relationship with his half brother, fraught with rivalry and dependence as well as love. "I should have been your father," Fred tells Barnum, instead of the fool who says he is. It is Barnum who is now a screenwriter with a fondness for lies and alcohol who narrates his family's saga. As he shares his family's history, he chronicles generations of independent women and absent and flawed men whom he calls the Night Men. Among them is his father Arnold, who bequeaths to Barnum his circus name, his excessively small stature, and a con man's belief in the power of illusion. Filled with a galaxy of finely etched characters, this prize-winning novel is a tour de force and a literary masterpiece richly deserving of the accolades it has received. **The Half-brothers** Elizabeth Gaskell, 1859 *The Half Brother* Holly LeCraw, 2015-02-17 A passionate

provocative story of complex family bonds and the search for identity set within the ivy covered walls of a New England boarding school When Charlie Garrett arrives as a young teacher at the shabby yet genteel Abbott School he finds a world steeped in privilege and tradition Fresh out of college and barely older than the students he teaches Charlie longs to leave his complicated southern childhood behind and find his place in the rarefied world of Abbottsford Before long he is drawn to May Bankhead the daughter of the legendary school chaplain but when he discovers he cannot be with her he forces himself to break her heart and she leaves Abbott he believes forever He hunkers down in his house in the foothills of Massachusetts thinking his sacrifice has contained the damage and controlled their fates But nearly a decade later his peace is shattered when his golden boy half brother Nick comes to Abbott to teach and May returns as a teacher as well Students and teachers alike are drawn by Nick s magnetism and even May falls under his spell When Charlie pushes his brother and his first love together with what he believes are the best of intentions a love triangle ensues that is haunted by desire regret and a long buried mystery With wisdom and emotional generosity LeCraw takes us through a year that transforms both the teachers and students of Abbott forever Page turning lyrical and ambitious *The Half Brother* is a powerful examination of family loyalty and love
