Passion is a desire that goes back to the Garden of Eden and ends with the apostle John and its always powerful If there is anyone who can know about love its God With so much purity from Gods Word we are enlightened and yet discouraged at times by our surroundings As for Gods people were to have the desire to love one another deeply as we try to wear love wherever we go We are told to love and never give up and whatever we do its to be done in love So how do we guard our hearts What do we aim at and why When there is wisdom and knowledge and understanding and combined together we reach a higher level of joy and excitement With love there are moments in which we are at our lowest because of misunderstanding Thats when God sends his love and his people to give us some powerful truth and insights Its the love that we have for our family and friends May this book be the moment for which were created to inspire exhort and discipline the heart to set it on fire and multiply with more truth Theres so many powerful thoughts in this book of important reminders and clever comments So let the flames begin within our hearts Lets change this world of ours with some powerful insights within this book I sincerely believe its impossible for you not to find some thoughts thats not going to be beneficial to inspire your life

**The Sufi Message of Hazrat Inayat Khan: The Unity of Religious Ideals** Hazrat Inayat Khan,2020-09-28 We often confuse unity with uniformity In reality it is the spirit of unity which creates uniformity for the sake of its beauty and protection it gives Throughout all ages both have existed unity as the inner nature of every soul and the only purpose of life and uniformity to help to fulfill that purpose Unity is the goal and uniformity the means to reach that goal but often the means has obscured the purpose All through the ages the different religions which have been given to man for his spiritual development with the sole idea of unity have gradually become a kind of community or nationality Many people who belong to a Church accept its dogmas claim a certain name for their religion and consider all other children of God as separate by doing so they lose the very seed of wisdom for whose development that religion was given This error has existed from the beginning so that instead of touching the true spirit people have lost reality by seeking a false objective Religious differences have caused endless wars and disasters for the human race The reason of this is that the spirit of unity has not been recognized while undue regard has been paid to uniformity In the present age when the spirit of religion is at its lowest ebb and only the uniformity remains divisions of classes and discords of all kinds spring up one party one class against another the spirit of rivalry jealousy and destruction everywhere The effect of this has been to keep man away from the consciousness of God Very few indeed recognize Him all humanity is laboring under a great unrest and yet man thinks he is progressing while all the time he only

progresses towards still greater unrest There can never be true progress when nations and kingdoms and peoples are divided for when the races are divided then subdivisions come and classes and parties also become divided The same spirit of destruction is at work all the time and even families become separated Unity seems to be rooted out from the hearts of men

*The Sufi Message of Hazrat Inayat Khan: The Gathas* Hazrat Inayat Khan,2020-09-28 There is a remarkable phrase in the Bible here it says Eat My flesh and drink My blood says Christ What does He mean by saying this He means in the first place that what a living being loves most is his food what he loves most he eats It has been proved in ferocious and dreadful famines by people eating their own children that food is dearer than their own child The word of Christ therefore Find out what it is in Me that you love which may become your nourishment which may become your food It is not this My flesh and blood this will not be sufficient to satisfy your appetite There is another part of My being which is in abundance and can nourish My numberless devotees Therefore before trying to eat My flesh and blood try to find out on what plane I really exist and what is My true being The lives of all the great saints show that not only their adversaries and opponents but also their near and dear friends have proved to be among their worst enemies There is a creature which loves its mate so much that it eats it Now as to the question what it is that Christ speaks of as his flesh and blood His flesh is the knowledge of God and His blood is the love of God because it is love that has a tendency so to speak to excite the circulation and it is knowledge which has the tendency to strengthen making man firm of which flesh is the symbol One thing without the other would be abnormal For instance flesh without blood or blood without flesh both are not normal conditions What gives normal health to the body and to the soul is flesh and blood both In the religious custom of the sacrament of bread and wine it is this secret which is symbolically expressed **For The Love of God and the Heart of a Woman** Annie R. Brown,2007-06-18 Shane an

immortal being gives his love for a woman Alicia and for the love of his God The two meet in a park on earth It was love at first sight After becoming friends Shane disappeared without any notice She was never able to forget him Her life continued on earth After their separation Alicia meets in a serious accident and is transported to a world in the afterlife It was heaven known as the World of the Immortals To her surprise she meets Shane in the World of the Immortals The two then embarked upon an adventure together of danger and romance They encounter evil and experience the wholesome love of holiness Their lives were never the same afterwards **With My Whole Heart** James Jones,2012-05-17 As James Jones waited for his

heart operation and began to recover from it he had the Psalms with him day and night and these are reflections based on each occasion the word heart is used in the Psalms 70 times These reflections invite the reader to make a new relationship with the psalms and with the familiar translation of them in the Book of Common Prayer They include a prayer to say in response to each meditation *Fire in the Heart* Deepak Chopra,2008-06-23 A fifteen year old boy is walking through a

swirling fog on his way to school when a voice calls out Come here We need to talk Out of the mist emerges an old man with a white beard He is a fantastic figure as wizardly as Merlin as wise as Socrates as peaceful as Buddha Whoever he is the old

man has appeared on that very day to change the boy's life You are old enough to learn about things he says mysteriously And who is going to teach you but me The old man gives the boy four days of soul training a time of riddles tricks parables and incredible twists that brings out surprising answers to each of four burning questions about spirituality Do I have a soul How do wishes come true What is the supreme force in the universe How can I change the world The old man with the white beard showed me the spiritual side of life writes Deepak Chopra where real passion and excitement come from So before you begin take a deep breath This story could turn out to be yours
