Perhaps Christianity is irrelevant to where your heart is really at What if you could have an all encompassing sense that you have a loving heavenly Dad Have a sense of being enjoyed and delighted in by Him Recognize that He sees you differently than you see yourself Realize that who you are is more important to Him than what you do These four experiences are integral to biblical Christianity Discover what often stands in the way of them and how you can begin to know the heart of the Father in a deeper way as he works these realities into your life **Knowing You (Pictures of the Heart Book #3)** Tracie Peterson,2023-11-07

The famous scientist and philosopher Blaise Pascal memorably said that the heart has its reasons the mind will never know But too often it s forgotten that Pascal in referring to the heart s reasons was not talking about hunches or cozy feelings Instead he had in mind our intuitive knowledge of the first principles of number time space and motion And he believed God can be known in the same way so that belief in God has the same justification as scientific and mathematical principles Was he right In *Knowing with the Heart* Roy Clouser develops a broad compelling case for Pascal s position Against the current climate of religious relativism Clouser concludes that Christians are entitled to say they know God is real Written in clear and nontechnical language *Knowing with the Heart* is intended for believers concerned with the credentials of their faith and those who don t believe in God but are willing to investigate and reconsider MaCheri The Heart Will Know Jai Danglar, *A Heart to Know Him* Lynne
